Office of the Deputy Comm
Kadur District
Chickmagalur

The vacancy Registers of this Office were gone into from the year 1927-28. These registers have been maintained in the prescribed forms from the year 1929-30.

(1) The following Vacancies of less than three months ~~in duration~~ have been brought on the Vacancy Register in contravention of rule 14(c) of the Manual of Recruitment Rules.

Serial nos 1, 6 to 8 and 10-12 (Vacancies) in the Vacancy Regr, relating to the years 1927-28.

(2) All the columns of the Vacancy Register ~~have~~ not been filled up in respect of the following vacancies.

(a) A permanent vacancy of Vaccinator on Rs 20+1 occured on 7.8.28. This was advertised and the applications received from the C.R Board were forwarded by the D.C. to the President Municipal Council at Tarikere. But the appointment made in the vacancy and the forwarding of B St to the C.R Board have not been entered in the Vacancy Register.

(b) A long standing vacancy of Excise clerk on Rs 10 of which occured in the Tarikere Sub-Division on 14-6-1928 was registered as a special vacancy and advertised. But the particulars as to who was appointed and whether a B Statement or a report regarding the disposal of the vacancy was sent to the C.R Board have not been entered. This may be done now and reported to the C.R Bd.

(c) A vacancy of Junior Gumasta in the Mudigere Taluk Office

was registered in connection with the vacancy of an Ag Rev: Inspector. As no applications were received for the vacancy in response to the advertisement the Amildar Mudigere Taluk was informed that a locally available qualified candidate if any may be appointed. But the particulars of the candidate ~~that was~~ appointed and the report (B S R) forwarded to the C R Board, have not been entered in the vacancy Regr.

(d) A vacancy of Senior Gumasta on Rs 30/- in the Kadur Taluk Office occurred on 6.2.1929. This was filled up by promotion and a vacancy on Rs 20/- was known open for advertisement. The columns in the Vacancy Register showing ~~as to when~~ the dates on which the vacancy was sent up for advertisement, ~~on which~~ the appointment was made and the report of appointment was sent up to C R Board have not been filled up. These are the important factors in connection with the disposal of a vacancy and ~~these~~ should invariably be entered in the vacancy Register.

(e) A ~~vac~~ six months vacancy of clerk on Rs 25/- which occurred on 26 9.1929 was advertised on 6 3.30. The further stages of the disposal of the vacancy have not been entered in the vacancy Register.

(f) In connection with filling up of a ~~Motor~~ licensing clerk in grade Rs 40-2-50, a vacancy of First Accountant on Rs 40/- in the District Board ~~Office~~ was advertised as a special vacancy No. 2617 on 3.7.30 as available for two years from 3.4.1930. The name of the candidate ~~that was~~ appointed in the vacancy and the date on which the B ~~Ft~~ was forwarded to the ~~C~~ R B Office, ~~Ft~~ was also noticed that in connection with the showing open for advertisement a vacancy of Registration Defntly clerk on Rs 25/- in the District Registrar's Office as available from 1.6.1930, the vacancy on Rs 40/- referred to above was utilised ~~for~~ for giving promotions. This is ~~very~~ irregular

(3) Advertised vacancies were filled up by the appointment of non. c a B candidates in the following cases.

(a) Longstanding vacancy of Excise Range Office clerk on Rs 30/- which occured at Koppa on 20.6.1928 was advertised as a special vacancy. But it was utilised for the absorption of one A Krishnaiengar a known out Patrol Sub Inspector.

(b) The advertised special vacancy (No. 2617) of First Accountant on Rs 40/- in the District Board office has been utilised for effecting promotions of 10 officials on lower pay as shown below:

1	S. Krishna Rao Excise Range office clerk – Rs 35-	confirmed as First Accountant on Rs 40/- in the Dist Board office
2.	Promotion arrangements made to fill up Rs 35 vacancy up to Rs 25-	——— Nil.
3.	G. S. Mamulappa Acting Clerk on Rs 25/-	confirmed in a released permanent vacancy

The acting vacancy was known open for direct recruitment. It is not known whether this vacancy was at least advertised and filled. Information may be furnished

(44)

Vacancies of different depts. ~~have been~~ registered in one Vacancy Register.

(a) A permanent vacancy of Vaccinator in the Tarikere Municipality, ~~which~~ occurred on 7.8.1928. This should have been entered in a separate Vacancy Register for the Municipalities.

(b) A vacancy of Municipal Clerk on Rs 20/- in the Mudigere Municipality.

(c) A fresh vacancy of Special Sheristadar on Rs 40+10 in the Narasimharajapura Municipality, available for four months from 22.1.1930.

(5) Permanent arrangements are ~~have been~~ made in temporary vacancies,

(a) A motor Licensing clerk on the post of Rs 40-2-50 was sanctioned to the Dist. Office for a period of two years. The following arrangements were made to fill up the vacancy.

1 First Accountant in the Dist Board Office on Rs 40/-	in the vacancy referred to.
2. S. Krishnamurthy Excise Range Office clerk on Rs 35/-	confirmed vice No 1.
3. Permanent arrangements made upto Rs 25/-	to fill up No 2.
4. G.S. Mamlappa Ag clerk on Rs 25/-	confirmed on Rs 25/- in the released permanent vacancy.

The acting vacancy was released.

(6) Brahmin candidates ~~have been~~ appointed in advertised Special vacancies without the previous approval of Govt.

(a) A. Krishnaiengar was absorbed in the advertised Special vacancy of Excise Range Office Clerk at Koppa which occurred on 20.6.1928.

(b) A new vacancy of a Special Sheristadar Narasimharajpura Municipality for four months on Rs 40+10 was registered as a special vacancy from 22.1.1930. This was filled up by the appointment of a Brahmin clerk in service

(c) A permanent vacancy of a clerk on Rs 25/- in the District Office which occurred on 1.6.1930 was registered as a special vacancy.

One Sri. Lakshminarasimha Iyengar Ag clerk of the District Office who was ordered by the Revenue commissioner on 5.5.30 to be absorbed in any one of the existing vacancy, has been absorbed in the Special vacancy of the Rev. Commr had issued orders without consulting the C.R Bd, his orders cannot be conclusive and the Deputy Commissioner should have obtained the previous approval of Govt, through C.R Board to confirm a Brahmin acting official in a permanent Special vacancy.

The final disposal of every vacancy

whether with or without advertisement, has to be intimated to the CR Board and an entry to that effect should be made in the Vacancy Register.

(7) Permanent vacancies have been filled up by confirming acting officials and temporary vacancies have been made available for advertisement

(a) A permanent vacancy of Junior Gumasta on Rs 25/- in the Tarikere Taluk Office was utilised for the confirmation of one Anantharudra Row clerk on Rs 25/- and the released longstanding vacancy of clerk on Rs 25/- in the Office of the District Economic Superintendent was thrown open for direct recruitment and ~~was available~~ from 1.6.1930. (These posts were abolished from 1.7.1931)

The permanent vacancy itself should have been reported for advertisement.

(8) Delay has been caused in filling up the advertised vacancies and in forwarding 'B' Statements to the C.R.B. Office in the following cases.

(a) In connection with the occurrence of a longstanding vacancy of a Clerk on Rs 30/- in the D.S.P's Office which occured on 1.7.1928, a vacancy of a Clerk in the District Office on Rs 25/- was advertised. Post the appointment of one Muniveukatappa was reported to the C.R.B office on 4.11.1929 i.e. after a delay of six months

(b) A fresh appointment of a Record of Rights Clerk for a period of one year was sanctioned in G.O. No 7437-8 R.S.2-28-117 dated 16.3.1929. This vacancy filled up by the promotion of one B. Narasimhaiya Junior Gumasta on Rs 20/- in the Kolar Taluk Office. There were several stages in connection with the disposal of the vacancy released is shown below:-

Occurred on — 16.3.1929
Reported by the S.D.O. on 22.6.1929
Registered in the V. Regr on 1.7.1929
Reported to C.R.Board on 16.9.1929
Advertised as V. No 709 on 26.9.1929
Applications forwarded by CRB on 5.11.1929
Report of appt sent to CRB on 22.11.1929

It is thus seen

On account of the long delay of 6 months in the case, the one years vacancy was filled up by a C.R.B candidate only after the lapse of eight months leaving hardly four months for the C.R.B candidate to work in the vacancy. It is not known who was working in the vacancy during the period of eight months.

(e) A temporary vacancy of Senior Gumasta on Rs 30/- in the Taluk Office for a period of Six months occurred on 5.9.1929. This was filled up by promotion and a vacancy of Jr. Gumasta on Rs 25/- was known open for advertisement. The several stages of filling up of the vacancy were as follows:

Occurred ———	on 5.9.1929
Report received in the D.C's office	on 19.9.1929
Reported to C.R.B	on 30.11.1929
Advertised as V. on 1384 in the Gazette	on 19.12.1929
Applications received from the C.R.B	on 13.1.1930
Appointment reported to C.R.B	on 4.2.1930.

Out of the six months, five months were actually over before the C.R.B candidate was actually appointed in the vacancy. It is not known whether the C.R.B candidate did actually join duty for the remaining one month only that there was only one month for him to serve in the vacancy.

(d) A vacancy of Record Keeper in Grade Rs 25-1-30 occurred on 14.3.1929 consequent on the promotion of the permanent incumbent as acting Senior Amanat in the Mudigere Taluk Office.

The several stages of the disposal of the vacancy are as follows;

occurred	on	14.3.1929
Report received in the D.C's office	on	25.8.1929
Reported to C.R.B	on	30.11.1929
Advertised in the Gazette as No 1383	on	19.12.1929
Applications received from the C.R.B office	on	11.1.1930
Appointment reported to C.R.Board	on	4.2.1930

Thus a delay of nearly 11 months has occurred in filling up this vacancy.

(e) A temporary vacancy of Sheriff on Rs 30/- in the Mudigere Taluk Office which occurred on 1.12.1929 The duration of the vacancy was one year.

It was advertised as a special vacancy No 1382 on 19.12.1929 but intimation was received from the C.R.B on 10.1.1930 that no applications were received. Instead of getting the vacancy readvertised after three months ie on 10.4.30, the A Stf was sent for readvertisement on 2.5.1930. It was advertised on 15.5.1930 and the C.R.B intimated on 11.6.1930 that there were no applicants even on the 2nd advertisement. No further entries were made in the Regr to show the final disposal of the vacancy.

(f) A vacancy of Clerk on Rs 25/- in the District Office occurred on 26.9.29 for a period of- six months due to the grant of six months leave to K. Raja Row who was a permanent clerk on Rs 30/- and acting Police 3rd Munshi on Rs 35/-. In this connection a vacancy on Rs 25/- was reported to C R B on 20.2.30 ie. 5 months after its occurrence. By the time the vacancy was advertised, ~~the~~ duration was almost over.

(g) A long standing vacancy of a Junior Gumasta on Rs 25/- in the Chickmagalur Taluk Office occurred on 9.1.30. This was reported to C R B on 20.2.30 after a delay of 1½ months. Intimation was received from the C R B on 27.3.1930 that there were no applications for it. ~~But the blank columns~~ In the Register ~~seem to~~ show ~~that~~ Prog 210/- ~~no~~ action was taken to readvertise the vacancy after a period of three months ie. on 27.6.30. Prog 210/- A report may be furnished ~~whether~~ as to ~~whether~~ ~~action was taken to readvertise~~ the vacancy if not acting arrange ~~ments made may be also intimated~~ the vacancy was finally disposed of-

(h) A vacancy of Taluk Sheristadar on Rs 77 occurred ~~due~~ by the grant of six months leave to Mr Ramanna from 23.9.1929. A III rd Grade Taluk Sheristadar's vacancy on Rs 55/- was shown as made available for advertisement. But it was stated in the remarks column that the vacancy was not advertised but ~~a~~ that vacancy in the District Treasury on Rs 77 was advertised on 10.5.30. This vacancy occurred ~~due~~ by to the retirement of R amanna on 14.4.30. Therefore the six months leave vacancy-

(i) Six months leave vacancy of Muzrai Clerk on Rs 25/- in the Mudhagere Taluk Office occurred ~~on the grant of combined leave to S S Sharma antha Rao~~ from 25.10.1929

The several stages of the disposal of the vacancy were as shown below ~~The vacancy~~

1	occurred	on 25.10.1929
2	Report received in the Dist Office	on 28.2.1930
3	—do— sent to C.R.B	on 5.3.1930
4	Advertised by the C.R.B	on 21.3.1930
5	Applications received in the D.C office	on 18.4.1930
6.	Report of appointment sent to C R B —	on 9.6.1930

It ~~was~~ will be seen that the appointment in the vacancy was actually made about a fortnight prior to the termination of the vacancy

(9) Classification of vacancies into Promotion ones has not been made correctly.

A permanent vacancy of Additional Deputy Clerk on Rs 44/- in the Tarikere Sub-Division office has been treated as a Promotion vacancy, taking into consideration (1) Vacancy of Revenue Inspector at Bramakal and (2) Special Sheristadar Narasimharajapura Municipality as the two previous direct recruitment ones. These two vacancies were executive ones and they were filled up by promotion as explained already in ~~the~~ connection. Therefore ~~these~~ the key vacancies should not have been taken into calculation for classifying a ministerial appointment.

(b) A Head clerk's appointment on Rs 55/- ~~was~~ in the 1st Class Magistrate's Court at Chickmagalur became permanently vacant on 1.6.1930.

This was classified as a promotion vacancy taking into account the undermentioned two temporary vacancies as the two previous vacancies that were treated as Direct recruitment vacancies.

(i) Six months leave vacancy of Taluk Sheristadar on Rs 55/- which was not made available for direct recruitment

(ii) Long standing vacancy of District Treasurer on Rs 77/-

Temporary vacancies ~~have been taken~~ should not have been taken into account to classify a permanent

vacancy which should have been registered in the Register ~~for~~ of permanent vacancies. This vacancy being the first of its kind in the permanent series, it should have been classified as a Direct recruitment one.

The last vacancy on Rs 250/- is filled up with ~~a~~ advertisement by ~~the~~ absorption

(10) Vacancies filled up without advertisement by the appointment of Exempted Candidates.

(a) A permanent vacancy of Junior Gumasta on Rs 25/- in the Sankere Taluk office occurred on 24.2.1930.

It has been entered in the vacancy Register that one N. Anantha Subba Rao who was granted exemption in letter No 3924 C.R.B. dated 30.10.1928 was absorbed in this vacancy. ~~It is not entered in the vacancy~~ Register ~~that~~ a report to this effect was sent to C R B and their approval ~~was~~ obtained to ~~fill up the same~~. (The exemption that was granted in 1928 was made use of after two years). Report of action taken in such matters should invariably be forwarded to the C R Board.

(6) A permanent vacancy of Additional Deputy Clerk on Rs 40/- in the Sankere Sub Division Office. This was treated as a promotion vacancy and the released vacancy of Junior Gumasta on Rs 25/- in the Sankere Taluk office was utilised for the absorption of one B. S. R. Ramaswamy Iyengar Ag Clerk Dist Board Office who was granted exemption in letter No 3924 C R B dated 30.10.1928.

No report appears to have been
~~from Gilbert~~ to the C R Board
regarding the disposal of the vacancy.

(c) A permanent vacancy of Nagadi
Gumasta on Rs 25/- occurred on 1.6.1930
This was utilised for the confirmation
of an Ag Gumasta (Junior) M.S. Venkoba
Row on Rs 25/- in the Koppa Taluk
who was exempted from the CRB rules.
Vide No. 4535 CRB dated 12.2.30. This
disposal ~~should have~~ as well as the date of ~~on~~ which the report
~~to that effect forwarded~~ if any reported to the CRB
Office should have been entered
in the Vacancy Register.

The disposal of the Acting vacancy of-
Junior Gumastas ~~vacancy~~ in
the Koppa Taluk Office may be
intimated

(d) The last vacancy on Rs 25/- in connection
with the disposal of the Head clerk's
vacancy on Rs 55/- in the I Class Magistrate's
court at Chickmagalur was utilised for
the absorption of A. Venkatakrishniah, Acting
Village Panchayet clerk in the Chick
magalur Taluk Office who was granted
exemption in letter No. 26 CRB dated
2.7.1929. A report of the same should have been
made to the C R Board and an entry
made in the vacancy Register to that effect.

(e) The last vacancy of clerk on Rs 25/-
in the District Office which occurred on
15.12.30 in connection with the filling
up of a Special Revenue Inspector
Record of Rights Hirenallur Hobli
Hadur Taluk was utilised for
the continuance of one B.V.
Ananthanarayana Acting clerk on
Rs 25/- who was granted exemption
in ~~letter~~ this No. 1077 CRB dated 19.9.30.
~~A report~~ should have been ~~made~~ reported
to CRB & an entry made in the Vacy Regr to that effect

3 (1) Seriatim promotions have been made in filling up Vacancies in the higher classes of appointments and only a last class appointment has been made available for direct recruitment in contravention of the rules in force.

(a) A vacancy of a clerk in the Dist Office on Rs 40/- occurred on 1-12-1927. This was filled up by the promotion of R. Narayana Iyengar Head Sheriff on Rs 35/-. This being a vacancy carrying the minimum pay of Class III of appointments ~~it~~ under the (Old) Rules then in force, should have been known apen for direct recruitment. ~~But seriatim promotions were made to fill up places~~ instead of this vacancy on Rs 25/-

(b) Longstanding vacancy of Income Tax Clerk on Rs 40/- was filled up on 11.7.27 by promotion arrangements & the last place on Rs 25/- was given to a recruit pending advertisement which proved infructuous. The vacancy was reserved for readvertisement & the arrangements already made were continued. The remarks in the Vacancy Register show that the vacancy was shifted to the Special Court at Tanjore & that the 'A' Statement would be sent on receipt of a reply from Court

to a reference dated 31.3.1928. It may now be explained whether this vacancy was advertised as a Special one and filled up according to rules.

(c) Longstanding vacancy of Excise Range Office Clerk on Rs 20/- which occurred on 20.6.1928 has been registered as a Special direct recruitment vacancy.

The original vacancy that occurred in this connection was that of Head Gumasta on Rs 40/- owing to its incumbent B. Raghavendra Row being on other duty as Police Head Munshi in the Kolar District. Seriatim promotions were made to fill up this vacancy up to Rs 25/- which post viz. Junior Gumasta at Tarikere was utilised for the promotion of M. Subba Rao Permanent Excise Range Office Clerk on Rs 20/-.

(d) In connection with the disposal of a vacancy of Ag Nagadi Gumasta on Rs 25/-, an offg on Rs 20/- was promoted and the released vacancy on Rs 20/- was made available for advertisement as vacancy of Municipal Clerk in the Mudigere Municipal Council

(f) A vacancy of 2nd Grade Revenue Inspector on Rs 30/- in the Bomakal hobli mudigere Taluk, ~~This carrying~~ As the original vacancy is one carrying the minimum pay of 2nd Class ~~at~~ appointments, it does not admit of promotion arrangements, being Trade, Ministerial. This was filled by promotion of a Clerk in the vacancy on Rs 25/- (Clerk in the District Office was made available on 22.9.29 for advertisement.

(g) one H R Raja Rao was granted six months leave from 26.9.1929. At that time he was a permanent clerk on Rs 30/- and an acting Police 3rd Munshi on Rs 35/-. The consequential vacancy on Rs 35/- in connection with the acting appointment was known open for direct recruitment. It is not known whether the permanent Place on Rs 30/- when he was promoted to Rs 35 (as Police 3rd munshi) was dealt with under the rules. The manner of the disposal of the vacancy on Rs 30/- at the time may be indicated.

(h) A fresh vacancy of Special Sheristadar on Rs 40-10 was registered in the Vacancy Register as available for four months from 22.1.1930. This carries the minimum pay of Class II of appointments and does not admit of promotion arrangements. But it has been filled up by the promotion of a Clerk on Rs 35/-. It is not known whether this released vacancy at least has been made available for advertisement ~~or~~ information may be furnished now.

(i) The advertised special vacancy No. 2617 of First Accountant on Rs 40/- in the District Office which occurred on 3.2.1930 has been utilised for effecting seriatim promotions and only a consequential vacancy on Rs 20/- appears to have been known open for direct recruitment.

(j) A vacancy of more than three months of Nagadi Ch.... on Rs 25/- in the Mudigere Taluk Office occurred on 12.7.1930 and was advertised in the Gazette as Vacancy No. 350 on 28.8.1930. No C.R.B. candidate was appointed in the vacancy. A report was made to C.R.B. Office on 13.3.1931 ie. 8 months after the occurrence of the vacancy, that the vacancy ceased ~~due to~~ by the return of the permanent incumbent. ~~It is irregular to have not appointed a C.R.B candidate in the vacancy while it lasted.~~

It was found that the permanent incumbent was on long leave and one Sunyanarayanappa a permanent Municipal Clerk on Rs 20/- was promoted to act in the vacancy on Rs 25/- The promotion arrangements made in the advertised direct recruitment vacancy are not in keeping with the ~~spirit~~ spirit of the rules.

On the return of the permanent incumbent, Sunyanarayanappa, who lost his acting place was appointed to act in the permanent vacancy of Record Keeper on Rs 25-1-30, which occurred ~~due to~~ by the retirement of one D. Ranganna. The utilisation of this permanent vacancy for promotion of an official on Rs 20/- without bringing

it on the vacancy Register ~~and without~~ or obtaining the sanction of Government, is not in conformity with the rules.

The permanent vacancy of Municipal Clerk on Rs 20 (released temporarily from the beginning) has not been made available for advertisement. This is an irregular

Particulars viz name, age, caste, qualifications, date of appointment and the history of the services of the official appointed in the vacancy may be furnished to this Office now.

(v) A vacancy of Special Revenue Inspector of Record of Rights on Rs 50+10 occurred on 15.12.1930. A vacancy on Rs 40+10 has been thrown open and treated as a Special Vacancy. (vi) Another vacancy of Revenue Inspector Rs 40+10 occurred on 15.12.1930. This is treated as a Special Vacancy. One H.S. Rangachar a Brahmin, Probationary Revenue Inspector has been absorbed in this Special vacancy

(12) Executive and Ministerial appointments have been registered in a Continuous series and transfers from the Ministerial to the Executive and Vice Versa have been effected.

(a).

1) Vacancy ——— Sanitary Maistry on Rs 20/- in the Madura Municipality.

2) Shankernarayana Row Pillai Collector on Rs 17/8- — Promoted. Vice No. 1

3) Octroi Muthaddi on Rs 12/- — Promoted Vice No. 2.

As against the executive appointment of Sanitary Maistry one ministerial hand was promoted to the Executive line & the ministerial apptt was thrown open for direct recruitment.

(b) A permanent vacancy of Vaccinator on Rs 20/- in the Tanjore municipality instead of being registered in the Vacancy Register for Executive appointments has been registered in the Register for ministerial service.

(c) A Krishnaiyengar, a thrown out Patrol Sub Inspector (an offr in the Executive line) has been absorbed in the advertised special vacancy of Excise Range Office clerk on Rs 20/- (which is a ministerial appointment) at Kottapa which occurred on 20.6.1928.

(d) A vacancy of Ag Revenue Inspector on Rs 35/- which occurred on 28.12.1928 was filled up by transfer of a ministerial hand and a vacancy in the ministerial grade viz that of a Junior Amanat on Rs 25/- was advertised in the Gazette

(e) A permanent vacancy of Sanitary Inspector on Rs 30/- in the Kadur Town Municipality which occurred on 1-7-1929 has been entered in the Revenue Dept vacancy Register for ministerial Series. This should have been entered in the Register for Vacancies in the Municipalities (Executive Series)

(f) M. Srinivasa Row, Head Munshi in the Tarikere Taluk Office on Rs 35/- was promoted in a six months vacancy of Ag Revenue Inspector on Rs 35+Rs 10. The transfer and promotion of an official from the Ministerial to the Executive Grade and throwing open for direct recruitment a ministerial vacancy in lieu of an Executive one is not in keeping with the spirit of the rules now in force.

(g) A vacancy of 2nd Grade Revenue Inspector on Rs 40/- in the Banakal Hobli, Mudigere Taluk occurred; But this was

filled up by promotion and a Clerk's Vacancy in the District Office on Rs 25/- was made available on 22.9.1929 for advertisement.

This should have been registered in the Register of Executive appointments separately for Revenue Inspectors but it was brought on the Register for ministerial appointments

(h) A fresh vacancy of Special Shirastadar on Rs 40+10 in the Narasimharajapura Municipality occurred for four months from 22.1.1930. This was an executive appointment and it was filled up by the promotion of a Clerk on Rs 35/- in the Ministerial establishment.

This should have been entered in a separate register for vacancies in the Executive Dept of the Municipalities.

(i) The following Executive appointments have been registered in the Register of ministerial appointments

Vacancy.	Date of occurrence	Duration
1. Revenue Inspector	5.8.30.	6 months
2 —do—	26.10.30	—do—
3 Spl —do—	23.7.30	—do—
4 —do—	15.12.30	—do—
5-11. —do—	—do—	—do—
12. Sanyasi Kaisthy Kappa mlty.	.7.31	Permanent
13. 2nd Grade Daffedar	.11.31	—do—

These should have been registered in the separate registers of particular depts. X Police Dept Municipalities

f) A 6 months vacancy of Special Revenue Inspector for Record of Rights on Rs 40+10+10 occurred on 27.7.1930. This was filled up treating it as a no motion vacancy by transfer of hands from the Ministerial to the Executive and vice versa and the last place in Accountant on Rs 25 has been made available for direct recruitment. This was irregular.

(g) A vacancy of Special Revenue Inspector Record of Rights Heranallur Hobli Hadur Taluk on Rs 40+10+10. This was filled up by the promotion of clerks on Rs 35, 30 & 25 each and a vacancy of clerk on Rs 25 in the District Office has been made available for advertisement.

(h) A vacancy of Spl. Revenue Inspector Record of Rights Shivane Hobli, Tarikere Taluk on Rs 40+10+10 This was filled up by the promotion of clerk in the Ministerial Establishment and a six months vacancy of Record of Rights Clerk on Rs 30 of Narasimharajapura Sub Taluk has been known open on 10.1.1931 for advertisement. This was also not advertised as reported to the Chief Secretary in letter No C Per 38/30-31 dated 7.4.31.

General & Miscellaneous

A temporary ~~vacancy~~ appointment of Record of Rights Clerk on Rs 35/ in the Sholapur Taluk Office was created in G.O. No. Rs 7437-8 R. S. 2-28-117 dated the 16th March 1929 This was filled up by promotion and a vacancy on Rs 30/- was thrown open for direct recruitment. Again this vacancy, it is remarked in the Vacancy Regr. as follows." This is wrong. The direct recruitment should be only for the lowest pay of the class." This remark is incorrect. The recruitment rules do not bar the advertisement of vacancies carrying a higher pay than those carrying minimum pay in each class of appointments. ~~if done to be done in the interests of Office work.~~ The rules lay down that " When vacancies occur in posts on higher pays, the officials on the lower pays in the same class may be promoted seriatim and the vacancy caused by the promotion of the officer on the lowest pay may be filled up by

direct recruitment. It is therefore not incorrect to advertise a vacancy carrying more pay than the minimum of that class of appointments.

(6) The Asst Office for all vacancies of Revenue Inspectors is in the Office of the Revenue Commissioner. The vacancy of 2nd Grade Revenue Inspector on Rs 40 pm should therefore have not been brought on the Registers of the Dy Commrs Office and disposed of by effecting certain promotions and throwing open a Clerk's vacancy on Rs 25 pm in the Asst Office on 22.9.1929.

(c) Two vacancies of Junior Gunnastas on Rs 25 pm each in Koppa and Chickmagalur Taluk Offices (which were temporary but likely to become permanent) occurred on 4.7.1930. These were reserved for the absorption of thrown out officials in connection with the re-organisation scheme. The names of the officials who were actually absorbed in these vacancies have not been entered. This information may be furnished now and the Vacancy Register posted up.

(14). The following facts were gathered from the Acquittance Roll.

In July 1929 the appointment of a clerk on Rs 55/- ~~was found to~~ became ~~kept~~ vacant and the following arrangements were made to dispose of this vacancy.

1. Clerk on Rs 55/- —— Vacant.
2. A.L. Venkataramaniya on Rs 50 - Vice 1
3. N. Cheluvaiengar on Rs 45 — Vice 2
4. P. Ranjmudiah on Rs 40 — Vice 3
5. C.M. Krishnamurthy Naidu 3rd Police munshi on Rs 35 - Vice 4
6. N Raja Rao clerk — on Rs 30 - Vice 5
7. N Govindarao Sindhe — on Rs 25. Vice 6
8. S.V. Manjunja Daffleband Rs 13 —— Vice 7

Sivia in promotion arrangements to fill up this vacancy, are not in order. A Vacancy on Rs 50 at ~~least~~ least should have been made available for advertisement. It may be explained whether previous sanction was obtained for making such arrangements as also for appointing S.V. Manjaiya (Inferior Service) as a clerk on Rs 25/- in the Superior Service.

These acting arrangements were continued till the end of June 1930 and were confirmed with effect from 1.7.1930. It will be seen that no action was taken to treat the vacancy under the recruitment rules even at the time of filling up the same —

permanently.

II K. Raja Row — Atg as 3rd Police Munshi on Rs 35 — went on Combined leave of 8 months from 26.9.1929.

This vacancy should have been made available for advertisement. But the Seniority arrangements were made as shown below & the last place on Rs 25/- was given to a local man.

1. G.V. Sivamalachar clerk on Rs 30 — Vice the vacant place on Rs 35/-.
2. A. Govindraja — do - Rs 25/- — Vice 1.
3. S. R. Narasimha murthy Row — on Rs 25 vice 2 from 11.10.29 upto 28.2.30
4. J. K. Kesavaiya — from 1.3.30 to 1.7.30

A report may be furnished as to whether previous approval of the Board was obtained to appoint S.R. Narasinha murthy Row and J.K. Kesavaiya in the last ~~vacancy during the period~~ place.

III K. Raja Row on his return from leave was confirmed as 3rd Police Munshi and G.V. Sivamalachar who was acting during the period in that place was transferred in July 1930 to the District Treasury on Rs 35/-. In his place S.R. Madhava Row clerk on Rs 25/- was confirmed on Rs 30/-. In the last place one M. Lakshminarasimha Iyengar was appd on Rs 25/- and confirmed.

The appointment and confirmation of this a non. C.R.S candidate in the permanent vacancy should be explained.

The acquittance roll shows that this official was confirmed in the vacancy of Raja Row and M. Govinda Row Sindhe in the vacancy of G.V. Sivamalachar.

IV In July 1930. one clerk on Rs 25/-.

1. A Govindiya — was transferred as Junior Gumasta of the Tarikere Taluk Office

2. A. R. Arjuna modr Cash Gumasta Dist Treasury on Rs 25 — vice

3. M. Narayana Setty Clerk District Board — Vice 2

The vacancy was therefore shifted to the Dist Treasury. Board Office. The ~~disposal~~ return of this vacancy in the latter Office may be reported. ~~etc~~

V In July 1929 B. Venkoba Row clerk on Rs 50/- was on other duty as Head clerk of the Tarikere Sub Division Office

This vacancy carrying the minimum pay of the last appointment in class I of appointment should have been thrown open for advertisement. But the Vacancy has been filled up by making ~~as~~ ~~ociation~~ arrangements as follows:

1. B. Vesava Iyengar clerk on Rs 45 — Vacancy on Rs 50

2. B. Narayana Row 3rd Accts Treasury — on Rs 40 - Vice 1

3. P. Krishna Row 4th Accts Treasury — on Rs 35 – Vice 2

4. S. Narahari Row Clerk on Rs 30 – Vice 3

5. N. R. Madhava Row Clerk on Rs 25 – Vice 4

(a) B. V. Anantha ramanja from 1.7.29 to 1.12.29

(b) N. V. Ramaswamy Iyengar from 1.12.29 to 19.2.30

(c) K. Rame gowda from 19.2.30 to 1.6.30

} Vice 5.

A report may be furnished quoting the authority for appointing the last mentioned three non-CRB candidates successively in the vacancy on Rs 25/- upto June 1930.

VI In July 1929. A Pinto Y Account and in the Treasury on Rs 30 was on other duty as Excise clerk on Rs 35/-. His place was filled up as noted below.

1. A. Venkatanarayana clerk Rs 25 — Vice vacant place

2. G. R. Mallappa Junior Gumasta Chikmagalur Taluk Office — on Rs 25/- Vice 1. and transferred as Junior Gumasta on 25.7.29 to the Chikmagalur Taluk Office.

(a) H. V. Ramaswamy Iyengar — from August 1929 to December 1929.

(b) B. V. Anantharamaiya who was working in the vacancy of H. R. Madhava Row from July 1929 to Dec. 1929 — from December 1929

The reasons for appointing the last two mentioned non-CRB candidates without the approval of the Board and continuing the last man in the vacancy may be furnished. The history of the Services of B. V. Anantharamaiya who is found to have been working continuously from ~~1929~~ July 1929 in various vacancies, may be furnished.

VII. On 24.11.1929. one M. S. Narayana Row clerk on Rs 35/- was placed under suspension and was thereafter posted as Nagadigumasta in the Kadur Taluk Office. In this Vacancy, the following arrangements

were ordered.

1. M. S. Raja Row, clerk Spl Magl's Court on Rs 30 — Against the Vacancy.

He worked till 1.5.1930 when he was posted to act as Dy clerk in the Court on Rs 40/-.

(a) The disposal of the consequential vacancy of clerk on Rs 30/- in the Magl's Court should be reported.

(b) On 1.5.30 Raja Row was posted in the vacy of clerk on Rs 40/- in the Court. The nature of the vacancy should be intimated in the form of an if 'Stt and the reasons as to why this vacy was not made available for advertisement should be furnished. (It is seen that Raja Row got a promotion of Rs 5/- in Nov: 1929 and another promotion within five months of Rs 5/- on 1.5.30 ie within a period of six months he got an increment of Rs 10/-)

2. Arjuna moodr
cash Gumasta Rs 25 — Vice no 1 from 1.5.30.

3. M. R. Anantharamaiya
Junior Gumasta Chitrnagalur — Vice 2.
Taluk Office on Rs 25

The disposal of the released vacancy in the Chikm Taluk office should be reported.

VIII. In July 1929, S. Rama Row clerk on Rs 35 was on other duty as Dy Clerk in the Spl magl's Court Chikmagalur. The following arrangements were made to fill up the post.

1. Md Hussain Clerk Rs 30/- — Vice the vacant place but was transferred as Revenue Supvr. His appointment in the Executive line without the previous approval of the Board is irregular

T. Nazir Ahmed Clerk on Rs 30f. vice S. Rama Rao O.D.
Police 4th Munshi

The disposal of the Vacancy of the ~~1st~~ Police 4th ~~Munshi~~ Munshi should be intimated. These arrangements continued till the end of May 1930 and in the month of June 1930 several transfer arrangements were made and T. Nazir Ahmed was confirmed as Clerk on Rs 30f. The disposal of the released permanent vacancy of Police 4th Munshi (in which A. S. Srinivasaraghavachar was acting) should be reported together with information (14/10) whether previous sanction was obtained to appoint and continue Srinivasaraghava Char. a non. CRS Candidate in the Vacancy.

IX. In July 1931, Sri. A. Sitaramaiya Revenue Head Munshi in grade Rs. 60-4-80 was found to be on other duty as Amildar. The following arrangements were made to fill up the vacancy. G. Venkata Rao II clerk on in grade Rs 50-2-60 was promoted to the grade Rs 60-4-80 of the Revenue Head Munshi. The vacancy on Rs 50f. carrying the minimum pay of class I of appointments should have been known open for direct recruitment

Instead of doing so, this was filled up by promotion. The consequential vacancy of Clerk in grade Rs 40-2-50 was filled up by the appointment of one T.V. Subrahmanyam, a Probationary Revenue Inspector on Rs 40 + 10. This interchange of appointments from the Executive to the ministerial line should have been done vide the previous order of the Board. Moreover T.V. Subrahmanyam was a Probationer and he could have been appointed more appropriately, in exams, a vacy of a Revenue Inspector for which place he was specially trained. But his posting to the ministerial line (though he has executed a five year bond to serve as a Rev. Inspt^r for five years) is irregular. This should be explained. [Apart from the recruitment aspect of the case, the departmental side of the question viz refund of stipend and other emoluments if any drawn by this Official during the period of probation has perhaps to be considered

omit: a extract may be sent separately to the Secty Board Concerned
CA 14/2

by the administrative branch of the Secretariat. The Acquittance Roll shows that Subrahmanyam was appointed as a clerk in grade Rs 20-2-50 on 2.2.31 and that he joined duty on 4.2.31 and he is continuing as such ever since.]

Office of the District
Educational Officer
Kadur District
Chickmagalur

Registers relating to the appointments were gone through from the year 1927-28.

Vacancy Registers in the prescribed ~~form~~ as required by the rules have not been maintained.

All the vacancies ~~that have occured~~ have been registered in a regist called the 'A' Statement Register and all the appoint ments made in these vacancies have been registered in a separate register called the 'B' Statement Register

The following irregularities have occured on account of the faulty system of registration

Both permanent and temporary vacancies ~~have~~ have been

registered in a continuous series

(ii) Ministerial and Executive appointments were not separately registered. Viz

(1) No. 25 - A Third Clerk's vacancy in the Office of the Assistant Inspector of Education - Hadur

(2) No. 27 - A Teacher's appointment at Narasimharajapura

(iii) Vacancies were not registered in the order of their occurrence or in the order of the receipt of report from the Subordinate Offices.

iv) Vacancies of less than 3 months duration were brought on the Vacancy Register.

(v) As no cross reference was maintained between the "A" and "B" Registers it was found very difficult to trace what candidate was appointed in any one particular vacancy. Viz.

A permanent vacancy of Master in the Incomplete Middle School on Rs 20- was registered in the 'A' Slt Register as having occured on 1.6.1929. Inspite of the earnest and strenuous

search made by the Office Establishment itself to trace in the 'B' Statement Register as to who was reported to the C.A. Board Office, as having been appointed in the vacancy the same could not be traced. Similar difficulty was experienced in connection with the tracing of an appointment made in the temporary vacancy of Master Primary Boys School at Bijnor on Rs 25/- which was likely to become permanent and which occurred on the 12th July 1929.

(vi) Continuous serial numbers are not given for vacancies but groups of vacancies have been given separate numbers

(vii) Out of each group certain vacancies are treated as General and others as Special. Vacancies should not, thus arbitrarily classified into special and General. Each vacancy should be

registered separately and given a serial number and every fourth Direct recruitment vacancy should be classified as a General Vacancy.

(viii) Some vacancies have been advertised more than twice, which procedure is contrary to the rules. Viz

A vacancy of school master in the Adi-Karnataka School was advertised five times as noted below:

1. No. 2527 dated 12.5.1930
2. No 762 dated 6.11.1930
3. No 1596 dated 7.5.1931
4. No. 288 dated 6.8.1931
5. No. 519 dated 17.12.1931.

The existing System of maintaing the A and B. Statement Registers did not afford any scope to scrutinize and verify whether any irregularities were committed with regard to the disposal of the vacancies that were advertised.

I. Ministerial Appointments
(i) Permanent Vacancies
(ii) Temporary — do —

II. Executive Appointments
(i) Permanent Vacancies
(ii) Temporary — do —

The marginally noted new registers were opened as required by rules and suitable instructions were given in the matter of registration of vacancies ~~under the following items~~ by illustrating the same with certain practical ~~examples~~ examples

(a) Classifying the vacancies into direct recruitment and promotion ones in each class of appointments.

(b) Throwing up the last vacancy for direct recruitment, released while filling up a promotion vacancy.

(c) Classifying direct recruitment vacancies into special and General ones.

(d) Procedure to be adopted in the case of readvertisement of vacancies, the first advertisement of which proved futile, without registering them once again in the Vacancy Register afresh, at the time of readvertisement.

(a) Quoting in the A State-
ment in respect of readvertised
~~most~~ vacancies, the serial
numbers of the same when
they were first advertised.

It is hoped that
the Vacancy Register will
be properly maintained
hereafter and that vacancies
will be disposed of strictly
in accordance with the rules.

Dist Educl Office - Chikmagalur.

The following facts were gathered from the Acquittance Roll

Head clerk — Rs 50
II clerk — Rs 40
III clerk — Rs 35
IV clerk — Rs 30
V clerk — Rs 25

1/ In connection with the filling up of the vacancy of Head clerk (during the absence of Mr Imam Ali Mehkri) serial in promotions were made and the last place one Sri S. Venkataramu was appt'd on Rs 25/- from 16.11.1927 up to 27.1.1928.

Again this official was continued from 28.1.1928 up to 1-10-1929 in the leave vacancy of Sri. Krishnappa (on Rs 35/-).

In connection with the acting arrangements made while filling up the vacancy of the Office Assistant during the period from 2.1.30 up to 2.2.30, Sri S. Venkata ramu who was in the meanwhile appointed as Assistant master on Rs 20/- in the middle school at Koppa, was posted as the V th clerk on Rs 25/- He acted for two months in February and march 1930 in the leave vacancy of Hutchu Row and again in the consequential Vacancy of the Office Assistant up to 24.1.1931 and again up to 9.2.31 in the leave vacancies of Venkoba Row and Sri Krishnappa. He was again taken to this Office on 1.3.1931 in the leave vacancies of C. Krishna murthy Row and Sri. S. Krishnappa up to July 1931 From July 1931 he was continued in the leave

Vacancy of Head Clerk upto September 1931.

On 21.9.1931 one Veeravasthy a C.R.B candidate was appointed as Head clerk but he resigned his appointment a week later ie, on 28.9.1931 and Venkataramu is continued ever since upto date in this ~~he~~ vacancy also.

Thus it is seen that this Official Sri S. Venkataramu is continuing in this Office from (ie from the past 5 yrs) His Present 14.11.1927 with ~~Few~~ breaks on Rs 25/- This is an irregular appointment made without reference to the Recruitment Board. Reasons for continuing this official in the Office, without obtaining previous approval for regularising the same by making a special recommendation to the Board so far, we may be furnished together with information as to the authority under which the vacancies that occured in the Higher grade were invariably filled up by promotion. ~~and the~~ Last vacancy only was made available for the appointment of Sri Venkataramu

H. Sri. Krishnappa went on leave for three months from 14.6.1931 and it was extended upto 30.6.1932, the period amounting to one year and 16 days. This vacancy was also filled up by promotion and in the last vacancy on Rs 25/- one Ramaharai Achar

leave for six months from 26.5.1931. —do— extended by three months from 26.11.[illegible] to 26.4.[illegible]

The official did not join duty at the time of inspection He may probably extend the leave.

x

N.S. Venkataramu & M. Rama hari Achar were shown as having worked against the vacancies of ~~Head clerk and~~ H. Krishnappa and the Head clerk respectively for certain periods.

a clerk on Rs 20/- in the ~~Sundra~~ office of the Sirsi Asst Inspector Chikmagalur was posted and continued. It will be seen that the vacancy was shifted to the Sirsi Asst office. A report may be furnished as to when the vacancy in the latter office was advertised and filled up. and also why a clerk on Rs 20/- was promoted to Rs 25/- while filling up the original vacancy of clerk on Rs 35/-

III In April 1930, the ~~head~~ clerk went on leave. The place was filled up by promotion and the last place by transferring on C. Krishnamurthy Row ~~on Rs 20/-~~ Range office clerk on Rs 20/- by promotion. This was irregular. He was continued till June 1930 when he was posted in the vacancy caused by the transfer of B Butchu Row. ~~O~~ One S. Manjunja was transferred to Butchu Row's place was posted as range office clerk vice ~~one~~ C. Krishnamurthy Row

Thus in giving effect to transfer arrangements the irregular promotion from Rs 20 to Rs 25/- of C. Krishnamurthy Row is continued. This should be explained.

The vacancy Register has been opened from 1st July 1929. Only 4 vacancies noted in the margin have so far been registered as having occurred since then.

All these vacancies have been registered in a continuous series. The following are the irregularities committed in the registration of these vacancies.

(i) Both permanent and temporary vacancies have been registered together

(ii) Both ministerial and executive appointments have been registered in the same series.

(iii) The vacancies have not been registered in the order of their occurrence

(iv) The classification of vacancies into Promotion and direct recruitment and the latter into General and special vacancies has not been properly made.

(v) All the columns in respect of each vacancy have not been filled up.

Permanent Vacancy of Bill Collector
Pay Rs 25/-
Occurred on 20.1.1930.

The vacancy has was registered as a special one and advertised as No 1609 in the Gazette dt 13-2-1930. Further entries in the Register have not been made. A report may be furnished as to the name of the C.R.B candidate that was

From the Registers of the CRB office, it was found that this vacy was readvertised as vacancy No 39/30-31. 'B' St. If appointment made does not appear to have been received as yet.

appointed in the vacancy and the date on which the 'B' Statement if any was sent to the C R Board. All the columns of the Vacancy Register should invariably be filled up showing the final disposal of each vacancy.

Fresh vacancy Registers were opened for ~~as noted in the margin~~ and clear instructions were given as to the correct method of registering the vacancies ~~in the Register. It is hoped that no room will hereafter be given for the repetition of the irregularities noticed~~ above.

District Board Office

The vacancy Register has been maintained in the prescribed form from the year 1930-31.

The several columns of the vacancy Register have not been filled up in respect of the following vacancy:-

As against a vacancy of Recruitment Grade Rs-30+8 which occured on 25.10.1930, a vacancy on Rs 25/+Rs 8 was registered as a Direct recruitment Special Vacancy All the remaining columns of the Register have been left unfilled. It has been ascertained that no appointment was made in it and that it has been kept unfilled. This fact should have been entered against this vacancy in the Register.

Ministerial and Executive appointments have been registered in a continuous

series in the Vacancy Register without registering them separately.

A vacancy of a temporary Clerk on Rs 25/- which occurred on the 16th May 1931 and which is a ministerial appointment has been registered in the Vacancy Register along with the Executive appointment viz that of the Vaccinator.

Prompt action was not taken to fill up the following vacancy in accordance with the C.R.B rules.

It was noticed with reference to the Acquittance Roll that on 3rd June 1930 the following arrangements were made

1. S. Krishna Row - Rs 40/- — O.S. II in the Dist Office
2. M. Bhaskara Row - Rs 30/- — Vice No 1
3. B.S. Ramaswamy Iyengar - Rs 25/- — Vice No 2
4. C. Nageswara Row — Ag on Rs 25/- Vice No 3.

Approval v/- IIIrd C.R.B was obtained to fill up the special vacancy of First Accountant (No 4702 dated 16.5.1931) by the promotion of a Brahmin Official

and to advertise the last vacancy on Rs 25/- This was advertised and filled up on the 7th October 1931 by the appointment of a CRB candidate (O. Subba)

Though filling up the vacancy on Rs 40/- by promotion was objectionable, since a communication was made to the CRB office asking for permission to fill it as by promotion, it may be allowed.

(which was granted as stated above)

Next the appointment of a non-CRB candidate (C. Nagesa Rao) in the last vacancy ~~from~~ on 1st July 1930 and his continuance up to 7th October 1931 i.e. for a period of one year and three months is not free from objection. Prompt action should have been taken to get the vacancy advertised as soon as it became ~~vacant~~ available and filled up in accordance with the rules, the special circumstances if any being ~~having~~ ~~been~~ reported to the CRB Office.

Original

Office of the District Educational Officer, Kadur District - Chickmagalur

Registers of this office were gone through from the year 1927-28. Separate registers for 'A' Statements showing the occurrence of vacancies and for 'B' Statements showing the appointments made in these vacancies have been maintained. But the Vacancy Register has so far not been maintained as required by the rules.

As continuous serial numbers for the vacancies registered in the A Statement Register have not been given and as these numbers are not referenced in the B Sts Register, it is very difficult to trace what candidate was appointed in any one particular vacancy

The following irregularities were noticed in the Registration of Vacancies

(a) Both permanent and temporary vacancies were registered in a continuous series

(b) Ministerial and Executive appointments were not separately registered Vide (1) No 25 a third clerk's vacancy in the Office of the Assistant Inspector of Education Kadur and (2) No 27 at Narasimharajapura

(c) Vacancies were not registered in the order of their occurrence or in the order of the receipt of report from the subordinate offices.

(d) Vacancies of less than three months duration were brought on the Vacancy Register.

(e) Both permanent and ~~Special~~ temporary vacancies have been taken together for purposes of classifying

the vacancies into special and General vacancies

The vacancies noted in the ~~margin~~ are with in the power of patronage of the District Inspector of Education. All these vacancies fall under class IV of appointments and are therefore direct recruitment vacancies and therefore do not admit of class promotions. But the District Educational officer in practice utilised all the appointments on higher salary for promotion and threw open only the last appointments viz on Rs 17/- and Rs 13/- for direct recruitment. At the time of revising the classification of vacancies and fixing up qualifications this question of giving class promotions in the last class of appointments

~~Vacancies~~ carrying a pay ~~of~~

(i) of Rs 15.
(ii) of Rs 17.
(iii) of Rs 17-1-20.
(iv) of Rs 20.
(v) of Rs 20-1-25.

and throwing open vacancies on the minimum pay in this class was referred to a Special Committee along with other questions. The report of the Special Committee was considered by the C R Board While considering the resolution of the C R Board Government in their Order dated October 1928 directed that the existing practice of giving class promotions in the last class of appointments may be allowed to be continued. The action of the District Educational Officer in having effected class promotions in the IV class of appointments even prior to the Order of October 1928, is perhaps in order.

At considerable intervals a number of vacancies are grouped together and out of every such group, few vacancies are treated as General and the remainder as Special. Such an arbitrary system

of classification is not in conformity with the rules and also becomes incorrect.

On 1.6.1929, the following vacancies were taken as one group:-

14. L.S.J. Substitutes on - Rs 13/- each
4. G.G.J — do — - Rs 20/- -do-
5. G.S. Class — - Rs 13/- -do-

23 vacancies.

Of these 6 vacancies were treated as General and the remainder 17, as Special.

Vacancies should not be clubbed in groups and registered in the Vacancy Register. Each vacancy should be registered separately and every fourth vacancy in the series should be classified as a General Vacancy as shown below:

Sl No	Date of Vacancy	Date of receipt of Report	Designation of the Vacancy and pay	Duration	Whether Promotion or Direct Recruitment	Consequential Vacancy	Whether General or Special.
1	1.6.29	-	L.S.J. Substitute Rs 13/-	1yr 8 mth	Dr	-	Special

It is thus seen that 5 vacancies out of the 23 vacancies can be classified as General Vacancies and ~~not~~ six as has been done by the District Educational Officer Such things should be avoided.

A permanent vacancy of Master Incomplete middle School at Shivana on Rs 20-1-25 was registered in the A Sh Register as having occurred on 1.6.29. ~~Post~~ Inspite of the earnest and strenuous search made by the Office Estt itself to trace in the 'B' Statement Regr., as to who was reported to the Central Recruitment Board

as having been appointed in the vacancy, the same could not be traced. Similar difficulty was experienced in connection with the tracing of an appointment made in the temporary vacancy of Master Primary Boys school at Birur on Rs 25/- which was likely to become permanent and which occurred on 12.7.29. This is due to the fact that no cross reference between the 'A' Statement Register and the 'B' Statement Register was maintained. If the Vacancy Register in the prescribed form had been maintained as prescribed by the rules, such difficulties would not have arisen.

From 13.9.1929 an attempt has been made to classify vacancies into General and Special ones according to the rules. But this is also not accurate and automatic.

Certain Special Vacancies in the Primary Schools

were advertised on 20.6.1929. But no applications were received in response to the advertisement. These vacancies were readvertised in the months of November and December 1930. Under the rules these vacancies should have been readvertised after the lapse of three months from the date of intimation that no candidates responded to the first advertisement This should be strictly followed in future.

Vacancy of Master in the Adikar. nalaka Primary School at Ottesakalu

The A statement register shows that the vacancy was advertised five times as noted in the margin. It is not consistent with the rules to get a vacancy advertised for more than twice. If the re-advertisement proves infructuous a Brahmin candidate has to be appointed in the vacancy with the previous sanction of Government. Otherwise, if a qualified Depressed class

candidate were available, he has to be appointed direct to the vacancy and the fact intimated to the C R Board.

As the present system of maintaining 'A' and 'B' Statement Registers does not afford any scope to verify whether any serious irregularities have been committed with regard to the disposal of the vacancies, new registers for registering all the vacancies strictly in accordance with the rules were opened with all the necessary headings. Suitable instructions were given in the matter of registering the vacancies under the following items by illustrating the same with certain practical exercises.

I Ministerial Appointments
(a) Permanent Vacancies – Register (1)
(b) Temporary Vacancies – do – (2)
II Executive Appointments
(a) Permanent Vacancies – do – (3)
(b) Temporary Vacancies – do – (4)

(i) Classifying the vacancies into Promotion and direct recruitment vacancies in each class of appointments.

(i) Throwing open the last Vacancy for direct recruitment, released while filling up a Promotion Vacancy

(iii) Classifying direct recruitment Vacancies into Special and General Vacancies

(iv) Procedure to be adopted in the case of readvertisement of vacancies, the first advertisement of which proved futile, without registering ~~them~~ them once again in the Vacancy Register afresh at the time of readvertisement

(v) Mentioning in the 'A' Statement in respect of readvertised Vacancies the serial number of the same when they were first advertised.

It is hoped that the Vacancy Register will hereafter be properly maintained and that the Vacancies will be disposed of strictly in accordance with the rules.

This place was filled up by Senatum promotions up to Rs 225 p. which latter post was filled up by the promotion of Sri Ramasta Sankara Rao from Inspector range of Sri Conjeevaram Rs 200 p. This post was thrown open for long advertised as a special case. No attempt seems to have been made to classify vacancies as Direct recruitment and promotion vacancies.

1929-30

The vacancy Regr. in the prescribed form has been opened from this year with all the Headings

11—(1) Sanitary Inspr. ... Cuddalore Municipality — Rs 30 - permanent from 1.7.1929. This vacancy should be registered in a separate Regr for municipalities under permanent Executive series. This vacancy was notified in time and one Narayanaswamy Chetty was appointed and the appointment is in order.

12—(2) Head Munshi Taluk Office Tanjore Rs 35/- 1.7.29. This vacancy occurred on the six months appointment of N. Srinivasa Aiyar as ag Reg: Deputy on Rs 35+10 in a vacancy. This inter-transfers from ministerial to Executive appointments are not in conformity with the rules.

It is seen during the year, all vacancies (permanent and temporary ministerial and Executive) are clubbed together and registered in a single register. This is contrary to the rules and should not be continued.

13—(3) Record of rights Clerk/Hoppa Taluk Office. This is a new appointment for one year in G O No R 7437-8 R S. 2-28-117 dt 16.3.29. This was filled up by transfer and a vacancy on Rs 35/- was thereby created. It is remarked in the vacancy Regr against this as follows:- "This is wrong. The clerk next in the list should be appointed on the lowest pay

class." The remark is incorrect. The rules state that "When vacancies occur in posts on higher pay, the officiating arrangements in the same class may be promoted serially and the vacancy caused by the promotion of the officiating incumbent may be filled up by direct recruitment. It is therefore not incorrect to advertise a vacancy carrying a scale just above the minimum pay of the class.

13-(5 & 6). The appointment of Record of Rights clerk was sanctioned for a period of one year vide G.O. No. 7437-8 RS 2.2.11 dated 16.3.1929. This was filled up by the appointment of Sri P. Narasimhaya as Circuit Inspector & Taluk Office on Rs 20/- and this vacancy was known upon for adverting. The following are the stages of disposal of the vacancy occurred on 16.9.29

Reported by the S.D.O	on	22.6.29
Regd in the vacy Regr	on	1.7.29
Reported to CRB	on	16-9-29
Advertised as Vacancy	on	28.9.29
Application received by the CRB	on	5.11.29
Report of appointment sent to CRB	on	22.11.29.

It is thus seen that out of the period of one year's duration of the vacancy, the consequential vacancy was not filled up for nearly eight months. Due to the delay in every stage, the CRB candidate had only hardly 2 months, for him to work in the vacancy

14-(6) Ag Senior Gumasta in the Salur Taluk office on Rs 30- for six months from 5.9.29. This was filled up by promoting a Junior Gumasta. A vacancy of Janitor in Salur office on Rs 25/- was thrown up. The following are the stages of filling up of the vacancy.

Vacancy occurred	on -	5.9.29
Report received	on -	17.9.29
Reported to C.R.B.	on -	30.11.29

C.R.B. reported to Govt.	on	4.2.30.

Out of the six months five months completely were over before the C.R.B. candidate was actually appointed to the vacancy. It is not known whether the C.R.B. candidate declared his willingness to accept the vacancy immediately after the date of advertisement in the Gazette and there was only one month for him to send in his application. The delay in the disposal of the vacancy could be avoided. Papers relating to the filling up of the vacancies should be treated as urgent and expeditiously disposed of.

14-(7) Vacancy of Record keeper in the Narasannapeta Taluk office on Rs 25-1-30 occurred on 14.3.1929 consequent on the promotion of the permanent incumbent as Ag Senior Gumasta on a higher salary. The several stages of filling up of this vacancy are as follows -

Report received on	-	25.3.29 - 11 days
Reported to C.R.B. on	-	30.11.29 - 8 months

C.R.B.		

There seemed a delay of nearly one year in actually filling up the vacancy

15-(8) Vacancy of the capacity of Rs 30
Madura Municipal Council

The original vacancy has occurred in this connection was that of Rg Nagadu Gunnarta on Rs 25/- This is filled up by promotion of an official on Rs 30/-. The vacancy on Rs 25/- being the appointment on minimum pay of the III class of Upper subordinate, does not admit of promotions and should have been made available for direct recruitment. The promotion arrangements to fill up the vacancy are not in order.

The consequential vacancy has been transferred to the Municipalities Register should have been registered in a separate register prescribed for Municipalities. From the remarks observed in the Vacancy Report it is seen that action was taken to open a separate register for Municipalities only 1.12.29

(16)-(10) Vacancy in the Madurai Taluk Office Rs 30-1 Duration - one year

This was advertised once as a Spl vacancy No 1382 on 19.12.29 but intimation was seen from the CRO on 10.1.30 that no applications were received The vacancy was therefore been advertised on 10.4.30 i.e. three months after the receipt of reply from the Dist. but in the meantime for reasons best known to Rs 25-0. Such delays should be avoided. The vacancy was advertised as No 2331 on 15.5.30 and the CRO intimated on 11.6.30 that there were no applications even for the readvertisement. After this no entry is made as to how the vacancy was finally disposed of According to rules action should be taken either to appoint a local MPC candidate or to refer to Govt the fact of non-receipt of suitable

14 – (11) Clerk Rev. Office
Original vacancy, 2-9-

The original vacancy that occurred in the institution was that of a 2nd Grade Accountant on Rs 240. Ramakrishnappa Kobli, Mundigesalu Taluk. While disposing of the vacancy, the following irregularities have been committed.

(i) This is an executive appointment and should have been registered in the Register maintained for the registration of Executive appointments.

(ii) It carried a pay of Rs 40. the minimum of the 2nd class appointments and some months admitted on promotion. Filling up the vacancy by promotion, when a lower time scale is open for direct recruitment is not in order.

(iii) This executive appointment is filled up by the promotion of an officiating of the ministerial line and a vacancy on the ministerial line was thus open for a direct recruitment. This procedure contravenes the rule that vacancies in the ministerial and Executive line should as far as possible be kept separately.

(iv) The Govt office for Rev. Inspr's vacancies being the case, it should have been referred to him for disposal and not considered & disposed of in the Taluk office which is not a competent office for recruitment.

18 – (12) Attender Clerk magistr Sub Registry Office Rs 15/-
Deputation is made

The original vacancy that occurred on 3.1.30 was that of clerk Sub Registry office Koppa on Rs 20-1-25. This vacancy has been treated as a promotion vacancy. As it carries a pay of Rs 25/-, all orders class IV of appointments which are all direct recruitment vacancies. Hence the classification of the vacancy as a promotion one is incorrect. Govt as Govt in their order dated October 1932 permitted promotions within the pay of Rs 25, that open for direct recruitment the appointment carrying the minimum pay of the class is in order.

19 – (13) Clerk Distt Office Rs 25/- occurred on 26-9-29 for a period of six months.

The original vacancy occurred to the post of Inspector of Registration

He was a permanent clerk on Rs 30/- and also acting 2nd Office 3rd Munshi on Rs 35/- ... leave to Raja Ram his vacancies resumed.

The permanent place on Rs 30/- was filled up by promotion and the consequential vacancy on Rs 25/- was advertised as a special vacancy ... on 1.12.29. This vacancy was reported to the CRB on 20-2-30 i.e. 5 months after the occurrence of the vacancy and by the time the vacancy was advertised in the Gazette i.e. on 6-7-30, the duration of the vacancy was almost over. Such delays in reporting the vacancy should be strictly avoided. It is not entered in the register when the applications were received from the CRB and when the vacancy was finally disposed of. This information may be furnished now. All the columns in the vacancy register showing the complete disposal of the vacancy should be invariably filled up and in case no selection should be left blank.

It is not known whether the Reg place of Office 3rd Munshi on Rs 35/- was made available for direct recruitment or if it was filled up by making local arrangements, the appointment of a last candidate on Rs 25/- may now be reported furnishing full particulars, age, caste and qualifications. Such irregular appointments should not be made without the sanction of the Executive.

20 — (14) Longstanding Junior Amanats on Rs 25/- in the Chakmaya-tun Taluka offices:- from 9.1.30.

This vacancy was reported to CRB on 20.2.30 i.e. after a delay of nearly 1½ months which should have been avoided. Information was received from the CRB on 24.3.1930 that there were no applications for this vacancy, three months after the date i.e. on 24.6.30 the vacancy should have been advertised again and filled up according to rules. But no action appears to have been taken to get the vacancy readvertised. This should be done now. A report as to who is working in the vacancy, with his name, age, caste and special ... should be submitted

It was stated therein a relief vacancy was sent to CRB Board and their approval was obtained to fill the vacancy without advertisement. Suitable steps in future and the action taken should be noted in the Vacancy Registers.

22— (17) Muzrai Clerk on Rs 25/- in the Mudigere Taluk office Kadur [illegible] from 25.10.1929 due to the grant of ~~a~~ unspecified leave to H.L. Ramanna [illegible] in charge, The report of this vacancy was received in the Taluk office on 28.2.30 i.e. after a delay of four months. The report was sent to CRB on 5.3.1930 and the vacancy was advertised on 21.3.30 i.e. after a delay of 15 days and applications were received from the CRB on 18.4.30 and the report of appointment of the Candidate in the vacancy was sent to CRB on 9.6.1930 i.e. after a delay of two months. It is thus seen that the [illegible] in the vacancy was made a fortnight the termination of the vacancy. Such delay in the despatch of the [illegible] of vacancies and should be avoided.

23 — (18) Special Sheristadar — Lara proposed promotion.
Pay Rs 210+10. Fresh appointment sanctioned in G.O. No. L 8894-06 dated 6-29-6 dated 22.1.30. Duration 6 months. This is registered as a Special Vacancy.
On B.S. Ramaswamy Aiyangar Acting 2nd Clerk on Rs 35/- in the 2nd class magistrates Court at Tanjore was promoted as Special Sheristadar. The following points are noticed in this connection.

(i) Term is an executive appointment and should not have been registered in the municipal vacancy register.

(ii) This is a vacancy in the Municipality & should not have been registered in the separate register maintained for Municipalities.

(iii) This is a Special vacancy and filled up without advertisement under rule 10 of the rules. A Brahmin candidate is promoted to the Special vacancy. A non-Brahmin should have been appointed.

(iv) This is a direct recruitment vacancy and a temporary available recruit should have been appointed. The promotion of a Clerk on Rs 35/- (III class) appointment to Rs 40+10 (i.e. 1st class appt.) is therefore not in order.

(v) The released vacancy of Rs 35/- has not been made available for direct recruitment information must be furnished regarding the particulars (name, age, caste & qualifications) of the last officials that were appointed in this vacancy.

24 — (20) Additional Deputy Clerk. Tanjore Sub Division Rs 40 - permanent

This is treated as a Promotion vacancy. The direct recruitment vacancies taken into consideration were (1) Revenue Inspector Ramachandra Hobli SL(11) (2) Special Sheristadar Narasimharajapuram Mitty SL(13) of the R.D.O. It would be seen from the notes above (vide paras 17 and 18) that these were actually treated as promotion vacancies and not as direct recruitment vacancies i.e. vacancies carrying a pay of Rs 40/- were not advertised and filled up. As such the treating of the vacancy on the ground noted as a Promotion vacancy, is not in conformity with the rules. The last grade on Rs 25/- (Junior Gymnasta Tanjore Taluk office) was utilised for the absorption of one B. Ramaswami Iyengar Acting Clerk of Board office who was granted leave on loss of pay Rs 2724/- A fax) 30.10.28 & his continuation. No enquiry has been made as to whether a report effort was made to secure. Such reports should invariably be made & entered in the vacancy register as the Tanjore Taluk office is a very busy office.

25 — (21) First Accountant in Account Office on Rs. [illegible] x

x original vacancy was in a Junior Licencing Clerk's in R.T.O. in Rt Office

Rs. after 2 years from 3.4.30

The vacancy was advertised at a pay of Rs 2614 on 3.7.30 but the appointment made in the vacancy has not been entered. It should be filled now. When report is made to CRB as to who is to be appointed or who has appointed, it should be intimated to us.

26 — (23) Registration Deputy Clerk Rs 25. District Board Permanent from 1.6.30.

In connection with the lapsing open of this vacancy the following promotions were made

(1) S. Krishna Rau Excise Range office clerk Rs 35/- — Confirmed as First Accountant District Board office on Rs 40

(2) Promotion arrangements made in from Rs 25 - — to fill up the vacancy of Excise Range office clerk Rs 35/-

(3) G. S. Mamlappa Ag Clerk on Rs 25 - — Continued on Rs 25/- in the permanent vacancy.

It is thus seen that the direct recruitment vacancy of First Accountant District Board on Rs 40-2-50/- (Vide para 25 supra) has been utilised for promotion. This is very irregular. Previous sanction of Govt should have been obtained to fill up the direct recruitment vacancy by promotion.

The last vacancy on Rs 25/- is utilised for a continuing an old official (G. S. Mamlappa) who was entertained as a recruit under the CRB rules. The disposal of the vacancy should have been reported to the Board and an entry to that effect made in the Vacancy Register. This disposal also is irregular. If the acting official was entertained in the temporary vacancy which subsequently became permanent, it would have been alright to confirm the official in that vacancy. But the official was entertained as an Ag. clerk on 4.5.1925 in a different vacancy and was continued in the present vacancy which is a different one. Not in conformity with the rules.

The acting vacancy released by the confirmation of the official, is not made use of for direct recruitment etc. It is thus a fresh vacancy should be [illegible].

This is a permanent vacancy and should have been reported in a separate register for permanent vacancies. Owing to the inadvertence this class of vacancies should have been classified as a Direct Recruitment. But it has been reported in the Annual Register and temporary vacancies. There is no such classification as Direct recruitment and Transfer. The vacancy is regular.

The last vacancy on the establishment was on account of the assumption of charge of Venkatakrishniah Avl. Vacancy Clerk, Gandhi Nagar Taluk Office, who has been granted extension of furlough upto 31.7.29. A report should have been made to the Board and an entry made in the vacancy register but this was not done.

A report may be furnished as to the particulars of the Gumastas who are to be absorbed in any of these vacancies.

32—(32) As regards the vacancy in Nagara Taluk Office, there has been a confusion from 1929-30. As there are several classes of appointments, in which vacancies have to be classified as Direct Recruitment and promotion in each case of appointments, it is quite easy to give indicative numbers against class II of appointments in the vacancy register in the marginally noted order and classify correctly, such vacancies into Direct recruitment and Promotion vacancies. It is hoped that with these instructions the vacancies will be correctly classified hereafter.

The following will be the qualifications to be prescribed for several classes of appointments that are to be filled up by Direct recruitment

The vacancy Register was maintained from the year 1930-31.

1. Vacancy of Vaccinator I Grade Rs 30 + 8 occurred on 25.10.30 for a period of one year.

As against this a vacancy on Rs 25 + 8 was thrown open for direct recruitment and treated as a Special vacancy. The remaining columns of the Vacy. Register were not filled up. All the columns should be filled up without delay during the several stages of the disposal of the vacancy. It was ascertained that no appointment was made in this vacancy and that it has been kept vacant till now. A report as to the disposal of this vacancy as to who is acting in this same, whether the vacancy is proposed to be filled up under the G.O. rules or it is proposed to be kept vacant without any appointment being made in the same (even terminating the temporary arrangements, if any, referred to above)

may be forwarded

2. Vacancy of Clerk on Rs 25/-
Temporary from 16.5.31.

This is an appointment in the ministerial grade and has been registered along with the Executive appointment of Vaccinator. This is irregular. Vacancies in the Ministerial and Executive Grades should be separately registered in the Vacancy Register. The Asst in respect of the same was sent to CRBd on 29.6.31 and it was advertised in the Gazette on 3.9.1931. B. Statement of appointment in the vacancy was forwarded to CRB on 27.9.31.

From the Acquittance Roll of the District Board Office, the following facts in connection with the occurrence of this vacancy.

On July 1930, the establishment of the office was as follows:

1. S. Krishna Row - Rs 40 — O.O.D. in the Dist Office
2. M. Bhasker Row - Rs 30 — Vice No. 1.
3. B.S. Ramaswamy Iyengar - Rs 25 — Vice No. 2
4. C. Nagesa Row — Ag on Rs 25 Vice No. 3.

These arrangements continued upto 6.10.1931. On 7.10.1931. one O. Subba a C.R.B candidate was appointed in the last vacancy.

It was also noticed that approval was communicated in letter No. 4702 dated 16.5.1931 to the appointment of a Brahmin candidate, a Sort graduate who had passed Accounts Higher in the Special Vacancy No. 1336/30-31 of First Accountant and to advertise the last vacancy on Rs 25/-. It was in this vacancy that O. Subba was appointed

D. E. O. Office

Separate "A" Statement Registers for Headquarters & Districts have been maintained. P. . . Vacancy Register in respect of each office has been maintained as required by the rules

Both permanent and temporary vacancies have been entered in the register.

Ministerial and executive establishment has been regularly maintained (Vide No 25, a III clerk's vacancy on Rs 17/ in the Office of the Assistant Director of Education, Nagapattinam No M27. Vacancy in a III Clerk on Rs 17/-)

Vacancies have not been filled in the order of their occurrence or in the order of the receipt of reports of vacancies in the Subordinate offices

Vacancies of less than three months duration have been exempt on the vacancy which should be awarded.

The classification of vacancies under Special and General has not been made.

On 1-6-29 the following vacancies are reported

1 Hr L.S.T. substitutes on Rs 13/- each
4 Hr Cl T — do — on Rs 20/- each
5 Hr S class — — on Rs 23/- each
Total 23 vacancies.

Of the 1 Hr L.S.T, three are vacant as Gen-rl
— do — 4 Hr Cl T, one is — — do — —
— do — 5 Hr S class, two are — — do — —

Vacancies should not be clubbed in groups in the Register. Each vacancy should be registered separately and every fourth vacancy in the series should be classified as a General vacancy as shown below:-

1 Serial No.	2 Date of Vacancy	3 Date of receipt of Report	4 Designation of the Vacancy	5 Duration	6 Promotion or Direct	7 Consequential	8 General or Special

22	-do-	-	-do-	-do-	-do-	-	-do-
23	-do-	-	-do-	-do-	-do-	-	-do-

It is thus seen that only 5 vacancies out of the 23 vacancies, can be classified as General whereas by grouping the vacancies for classification, six vacancies have been classified as General. Such things should be avoided.

1929-30 A permanent vacancy of Master incomplete middle School at Shivana on Rs. 20-1-25 is reported as transferred in the A.S.T. Rs. 13 on 1.6.29. But inspite of the earnest search made by the office to trace in the A.S.T. Rs. 13 as to who was reported to fill the vacancy so has not been appointed in the vacancy.

same could not be traced. The same difficulty was experienced in connection with the tracing out the appointment of a teacher in the vacancy caused by the transfer of Shri [illegible] from school Bonur on Rs 25/- which was likely to become permanent which occurred on 12.7.29.

This is due to the fact that no cross reference between the A.S.I.'s Register is maintained. If the vacancy report in the prescribed form had been accompanied together with the A.S.I.'s Register in cross reference, there would have been no difficulty in tracing.

From 13.9.1929 an attempt has been made to classify vacancies into Special and General in the beginning only. From at this stage, the classification has not been properly done. Instead of treating every vacancy as a vacancy in the school, it is treated as a vacancy in the teacher's post, (i.e. General and Special). Certain Special vacancies in Primary Schools

Certain Special vacancies for were advertised on 20.6.29. Two applications were received in the months of Nov and December 1930. Under the rules, these had to be advertised after a lapse of three months from the date of intimation that no candidates are found suitable for

Permanent Vacancies

The B Regr.

Vacancy of master in the A. K. Patna School Hariesalah on Rs 13/. occurred on 1.6.30 and was available till 31.3.32. The A Sh register shows that the vacancy was advertised for five times i.e. as No 2527 on 12.5.30 No 762 on 6.11.30; No 1596 on 7.5.31; No 288 on 6.8.31 and No 519 on 17.12.31. It is not consistent with the rules to get a vacancy advertised more than twice. If the readvertisement proves infructuous, a brahmin candidate should have been appointed with the previous sanction of Govt. Other wise, if a qualified Adikarnataka candidate was available, he may have been appointed to direct in the AK school and the fact intimated to the CRB Board. The rules are to be given effect in this case, as failed.

As the main present system of maintaining the A + B Sh Registers does not afford any scope to verify whether any serious irregularities have been committed, new registers for registering all the vacancies according to the rules, was got opened and with all the necessary headings and suitable instructions

Office of the Deputy Commissioner, Kadur District, Chickmagalur.

The vacancy Registers of this office were gone into from the year 1927-28. These registers have been maintained in the prescribed form from the year 1929-30.

(1) <u>The following vacancies of less than three months have been brought on the vacancy Register in contravention of rule 14 (c) of the Manual of Recruitment Rules.</u>

Serial Nos. 1, 6 to 8 and 10-12 (Vacancies) in the Vacancy Register, relating to the year 1927-2

(2) All the columns of the vacancy Register not filled up in respect of the following vacancies-

(a) A permanent vacancy of vaccinator on Rs. 20 plus 1 occurred on 7-8-1928. Thiswas advertised and the applications received from the C.R. Board were forwarded by the Dy.Commr. to the President Municipal Council at Tarikere. But the appointment made in the vacancy and the forwarding of B Statement to the C.R. Board have not been entered in the vacancy Register.

(b) A longstanding vacancy of Excise clerk on Rs. 40 which occurred in the Tarikere Sub Divisio on 14-6-1928 was registered as a special vacancy and advertised. But the particulars as to who was appointed and whether a 'B' statement or a report regarding the disposal of the vacancy was sent to the C.R. Board have not been entered. This may be done now and reported to the C.R. Board.

(c) A vacancy of a junior Gumasta in the Mudige

Taluk Office was registered in connection with the vacancy of an Ag. Revenue Inspector. As no applications were received for the vacancy in response to the advertisement the Amildar Mudigere taluk was informed that a locally available qualified candidate if any may be appointed. But the particulars of the candidate appointed and the report (B Stt) forwarded to the C.R. Board, have not been entered in the vacancy Register.

(d) A vacancy of Senior Gumasta on Rs. 30/- in the Kadur Taluk Office occurred on 6-2-1929 This was filled up by promotion and a vacancy on Rs.25/- was thrown open for advertisement. The columns in the vacancy Register showing the dates on which the vacancy was sent up for advertisement the appointment was made and the report of appointment was sent up to C.R. Board have not been filled up. These are the important factors in connection with the disposal of a vacancy and should invariably be entered in the vacancy Register

(e) A six months vacancy of clerk on Rs.25 which occurred on 26-9-1929 was advertised on 6-3-1930. The further stages of the disposal of the vacancy have not been entered in the vacancy Register

(f) In connection with filling up of the vacancy of a motar licensing clerk in grade Rs.40-2-50, a vacancy of First Accountant on Rs.40/- in the District Board office was advertised as a special vacancy No. 2617 on 3-7-1930 as available for two years from 3-4-1930. The name of the candidate appointed in the vacancy and the date on which the B. Statement was forwarded to the C.R.B.office have not been entered in the register.

throwing open for advertisement a vacancy of Registration Deputy Clerk on Rs.25/- in the District Registrar's Office as available from 1-6-1930, the vacancy on Rs.40/- referred to above was utilised for giving promotions. This is irregular.

(3) Advertised vacancies were filled up by the appointment of non C.R.B. candidates in the following cases.

(a) Longstanding vacancy of Excise Range Office clerk on Rs.20/- which occurred at Koppa on 20-6-1928 was advertised as a Special vacancy. But it was utilised for the absorption of one A. Krishniengar a thrown out Patrol Sub Inspector.

(b) The advertised Special vacancy (No.2617) of First Accountant on Rs.40/- in the District Board Office has been utilised for giving promotion to officials on lower pay as shown below:-

2. Promotion arrangements made to fill up Rs.35 vacancy up to Rs.25/-	Vice 1.
3. G.S.Marulappa Acting Clerk on Rs.25/-	Confirmed in a released permanent vacancy.

The acting vacancy was thrown open for direct recruitment. It is not known whether this vacancy at least was advertised and filled. Information may be furnished now.

(4) Vacancies of different departments registered in one vacancy Register.

(a) A permanent vacancy of vaccinator in the Tarikere Municipality occurred on 7-8-1923. This should have been entered in a separate vacancy Register for the Municipalities.

(b) A vacancy of Municipal Clerk on Rs. 20/- in the Mudigere Municipality.

4.G.S.Narulappa Ag.clerk on Rs.25/-	Confirmed on Rs.25/- in the released vacancy.

5. The acting vacancy was released.

(6) Brahmin candidates appointed in advertised special vacancies without the previous approval of Government.

(a) A. Krishniengar was absorbed in the advertised Special vacancy of Excise Range Office clerk at Koppa which occurred on 20-6-1928.

(b) A new vacancy on Rs.40 plus 10 of a Special Sheikdar Narasimharajpura Municipality for four months

This was filled up by the appointment of a Brahmin clerk in service.

(c) A permanent vacancy of a clerk on Rs.25 in the District office which occurred on 1-6-1930 was registered as a special vacancy.

One H. Lakshminarasimha Iyengar Ag. clerk of the District office who was ordered by the Revenue Commissioner on 6-5-30 to be absorbed in any one of the existing vacancy has been absorbed in the Special vacancy.

The final disposal of every vacancy whether with or without advertisement has to be intimated to the C.R.Board and an entry to that effect should be made in the vacancy Register.

(7) Permanent vacancies filled up by confirming acting officials and temporary vacancies made available for advertisement.

(a) A permanent vacancy of Junior Gumasta on Rs.25/- in the Tarikere Taluk office was utilised for the confirmation of one Ananthasubba Row clerk on Rs. 25/- and the released longstanding vacancy of clerk on Rs.25/- in the office of the District Economic Superintendent was thrown open for direct recruitment from 1-6-1930. (These posts were -- abolished from 1-7-1931).

The permanent vacancy itself should have been reported for advertisement.

(8) Delay in filling up advertised vacancies AND INFORWARDING 'B' statements to the C.R.B.Office

(a) In connection with a longstanding vacancy

Superintendent of Police Office which occurred on 1-7-1928, a vacancy of a clerk in the District Office on Rs. 25 was advertised. But the appointment of one Muniwenkatappa was reported to the C.R.B.Office on 4-1-1929 i.e. after a delay of six months.

(b) A fresh appointment of a Record of Rights clerk for a period of one year was sanctioned in G.O.No.7437-8/R.S. 2-28-117 dated 16-3-1929. This was filled up by the promotion of one B.Narasimhaiya Junior Gumasta on Rs.25/- in the Koppa Taluk office The several stages in connection with the disposal of the released vacancy is shown below:-

Occurred on	16-3-1929.
Reported by the S.D.O. on	22-6-1929.
Registered in the V.Register	1-7-1929.
Reported to C.R.Board on	16-9-1929.
Advertised as V.No.709 on	26-9-1929.
Applications forwarded by C.R.B. on	5-11-1929.
Reported of appointment sent to C.R.B. on	22-11-1929.

On account of the delay of 6 months the vacancy was filled up by a C.R.B. candidate after the lapse of eight months. It is not known who was working in the vacancy during the period of eight months.

(c) A temporary vacancy of Senior Gumasta on Rs.30/- in the Tarikere Taluk office for a period of six months occurred on 5-9-1929. This was filled up by promotion and a vacancy of Junior Gumasta on Rs.25 was thrown open for advertisement The several stages of the filling up of the vacancy were as follows :-

Occurred	on 5-9-1929.
Report received in the Dy.Commr's office.	on19-9-1929.
Reported to C.R.B.	on30-11-1929.
Advertised as V.No.1384 in the Gazette.	on 19-12-1929.
Applications received from the C.R.B.	on 13-1-1930.
Appointment reported to C.R.B.	on 4-2-1930.

Out of the six months, five months were actually over before the C.R.B. candidate was actually appointed in the vacancy. It is not known whether the C.R.B. candidate did actually join duty for the remaining one month only.

(d) A vacancy of Record Keeper in grade Rs. 25-1-30 occurred on 14-3-1929 consequent on the promotion of the permanent incumbent as acting Senior Gumasta in the Mudigere Taluk office.

The several stages of the disposal of the vacancy were as follows:-

Ocurred	on 14-3-1929.
Report received in the Dy.Commr's office.	on 25-8-1929.
Reported to C.R.B.	on 30-11-1929.
Advertised in the Gazette as No.1383.	on 19-12-1929.
Applications received from the C.R.B.office	on 11-1-1930.
Appointment reported to C.R.B. on	4-2-1930.

Thus a delay of nearly 11 months has occurred in filling up this vacancy.

(c) A temporary vacancy of shroff on Rs.30/- in the Mudigere Taluk office occurred on 1-12-1929.

The duration of the vacancy was one year.

It was advertised as a special vacancy No.1382 on 19-12-1929 but intimation was received from the C.R.B. on 10-1-1930 that no applications were received. Instead of getting the vacancy readvertised after three months i.e., on 10-4-1930, the 'A' statement was sent for readvertisement on 2-5-1930. It was advertised on 15-5-1930 and the C.R.B. intimated on 11-6-1930 that there were no applicants even on the 2nd advertisement. No further entries have been made in the Register showing the final disposal of the vacancy.

(f) A vacancy of clerk on Rs.25/- in the District Office occurred on 26-9-1929 for a period of 6 months due to the grant of six months leave to K. Raja Row who was a permanent clerk on Rs.30/- and acting police 3rd Munshi on Rs.35/-. In this connection a vacancy on Rs.25/- was reported to C.R.B. on 20-2-1930 i.e., 5 months after its occurrence. By the time the vacancy was advertised, the duration was almost over.

(g) A longstanding vacancy of a Junior Cumasta on Rs.25/- in the Chickmagalur Taluk office occurred on 9-1-1930. This was reported to C.R.B. on 20-2-1930 after a delay of 1½-months. Intimation was received from the C.R.B. on 27-3-1930 that there were no applications for it. The Register does not show whether action was taken to readvertise the vacancy after a period of three months i.e., on 27-6-1930 or not. A Report may be furnished as to how vacancy was finally disposed of.

(h) A vacancy of Taluk Sheristadar on Rs.77 -- occurred by the grant of six months leave to the one

Ramanna from 23-9-1929. A third grade taluk Sheristadars vacancy on Rs.55/- was ~~thrown~~ shown as made available for advertisement. But it was stated in the remarks column that the vacancy was not advertised but that a vacancy in the District Treasury on Rs.77 was advertised on 10-5-1930. This vacancy occurred by the retirement of Ramanna on 14-4-1930. ~~Therefore the six months leave vacancy.~~

(i) Six months leave vacancy of Muzrai clerk on Rs. 25/- in the Mudgere Taluk office occurred from 25-10-1929. The several stages of the disposal of the vacancy were as shown below:-

1.	Occurred	on 25-10-1929.
2.	Reported in the Dist. Office on	5-3-1930.
3.	-do- sent to C.R.B. on	5-3-1930.
4.	Advertised by the C.R.B.	21-3-1930.
5.	Applications received in the Dy.Commr.Office.	18-4-1930.
6.	Report of appointment sent to C.R.B. on	9-6-1930.

It will be seen that the appointment in the vacancy was actually made about a fortnight prior to the terminnation of the vacancy.

(9). <u>Classification of vacancies into promotion ones has not been made correctly.</u>

A permanent vacancy of Additional Deputy Clerk on Rs.40/- ₹ in the Tarikere Sub Division office has been treated as a promotion vacancy, taking into consideration (1) Vacancy of Revenue Inspector at Kanakal and (2) Special Shaikdar Va-

Municipality as the two previous direct recruitment ones. These twovacancies were executive ones. These two vacancies and they were filled up by promotion as explained already. Therefore they should not have been taken into calculation for classifying a ministerial appointment.

(b) A Head clerk's appointment on Rs.55/- in the 1st Class Magistrate's Court at Chickmagalur became permanently vacant on 1-6-1930. This was classified as a promotion vacancy taking into account the under mentioned two temporary vacancies as the two previous vacancies that it were treated as direct recruitment vacancies.

(i) Six months leave vacancy of Taluk Sheristadar on Rs. 55 which was not made available for -- direct recruitment.

(ii) Longstanding vacancy of District Treasurer on Rs. 77/-.

Temporary vacancies should not have been taken into account to classify a permanent vacancy which should have been registered in the Register of permanent vacancies. This vacancy being the first of its kind in the permanent series, it should have been classified as a Direct recruitment one.

The last vacancy on Rs.25/- is filled up without advertisement by absorption.

(10) <u>Vacancies filled up without advertisement by the appointment of exempted candidates.</u>

(a) A permanent vacancy of junior Gumasta on Rs.25 in the Tarikere Taluk office occurred on 24-2-1930.

It has been entered in the vacancy Register that one H. Anantha Subba Row who was granted exemption in letter No. 3924 C.R.B. dated 30-10-1928 was absorbed in this vacancy. No entry has been made in the vacancy Register as to whether a report to this effect was sent to C.R.B. and their approval obtained. (The exemption that was granted in 1928 was made use of after two years) Report of action taken in such matters should invariably be forwarded to the C.R.Board.

(b) A permanent vacancy of Additional Deputy clerk on Rs.40/- in the Tarikere Sub Division Office.This was treated as a promotion vacancy and the released vacancy of Junior Gumasta on Rs.25/- in the Tarikere Taluk office was utilised for the absorption of one B.S. Ramaswamy Iyengar Ag. clerk District Board office who was granted exemption in letter No.3924 C.R.B. dated 30-10-1928. No report appears to have been made to the C.R. Board re. the disposal of the vacancy

(c) A permanent vacancy of Nagadi Gumasta on Rs.25/- occurred on 1-6-1930. This was utilised for the confirmation of an Ag. Gumasta (Junior) U. S. Venkoba Row on Rs.25/- in the Koppa Taluk who was exempted from the C.R.B. rules Vide No. 4535 C.R.B. dated 12-2-30. This disposal as well as the date on which it was reported to the C.R.B. office should have been entered in the vacancy Register.

The disposal of the Acting vacancy of junior Gumasta in the Koppa Taluk office may be intimated.

(d) The last vacancy on Rs.25/- in connection with the disposal of the Head Clerks vacancy on Rs.55/-

in the I Class Magistrates Court at Chickmagalur was utilised for the absorption of A Venkatkrishniah Acting Village Panchayet Clerk in the Chickmagalur Taluk who was granted exemption in letter No. 26 C.R.B. dated 2-7-1929. A report of xhxix this should have been made to the C.R.Board and an entry made in the vacancy Register to that effect.

(c) The last vacancy of clerk on Rs.25/- in the District Office which occurred on 15-12-30 in connection with the filling up of a Special Revenue Inspector Record of Rights Hirenallur HubliKadur Taluk was utilised for the continuance of one B.V. Anantharamaiya Acting clerk on Rs.25/- who was granted exemption in letter No.1077 C.R.B. dated 19-9-1930. This should have been reported to C.R.B. and an entry made in the Vacancy Register to that effect.

(II) Seriatim promotions have been made in filling up vacancies in the higher classes of appointments and only a last class appointment has been made available for direct recruitment in contravention of the rules in force.

(a) A vacancy of a clerk in the District Office on Rs.40/- occurred on 1-12-1928. This was filled up by the promotion of C. Narayana Iyengar Head Shroff on Rs.35/-. This being a vacancy -- carrying the minimum pay of class III of appointments under the old Rules then in force, should have been thrown open for direct recruitment instead of the vacancy on Rs.25/-.

(b) Longstanding vacancy of Income Tax Clerk on Rs.45/- was filled up on 11-7-1927 by promotion

arrangements and the last place on Rs.25/- was given to a recruit pending advertisement which proved infructuous. The vacancy was reserved for readvertisement and the arrangements already made were continued. The remarks in the vacancy Register show that the vacancy was shifted to the Special Court at Tarikere and that the 'A' statement would be sent on receipt of a reply from Government to a reference dated 31-3-1928. It may now be explained whether this vacancy was advertised as a special one and filled up according to rules.

(c) Longstanding vacancy of Excise Range Office Clerk on Rs.20 which occurred on 20-6-1928 has been registered on 20x6x1928 has been registered as a Special direct recruitment vacancy.

The original vacancy that occurred in this connection was that of Head Gumasta on Rs. 40/- owing to its incumbent B. Raghavendra Row being on other duty as Police Head Munshi in the Kolar District. Seriatim promotions were made to fill up this vacancy up to Rs.25/- which post Viz. Junior Gumasta at Tarikere was utilised for the promotion of of N. Subba Row permanent Excise Range Office Clerk on Rs.20/-.

(d) In connection with the disposal of vacancy of Ag. Nagadi Gumasta on Rs. 25/- an official on Rs.20 was promoted and the released vacancy of Municipal Clerk in the Mudigere Municipal Council on Rs.20/- was made available for advertisement.

(f) A vacancy of 2nd Grade Revenue Inspector on Rs.40/- in the Banakal hobli Mudigere taluk.

This was filled up by promotion and a vacancy on Rs.25 clerk in the District office was made available on 22-9-1929 for advertisement. As the original vacancy is one carrying the minimum pay of 2nd Class appointment it did not admit of promotion arrangements being made.

(g) One K. Raja Row was granted six months leav from 26-9-1929. At that time he was a permanent clerk on Rs.30 and an acting police 3rd Munshi on Rs.35. The consequential vacancy on Rs.25 in connection with the acting appointment was thrown open for direct recruitment. It is not known whether the permanent place on Rs.30/- when he was promoted to Rs.35 (as police 3rd Munshi) was dealt with under the rules. The manner of the disposal of the vacancy on Rs.30 at the time may be indicated.

(h) A fresh vacancy of Special Sheikdar on Rs.40 plus 10 was registered in the vacancy Register as available for four months from 22-1-1930. This carries the minimum pay of class II of appointments and does not admit of promotion arrangements. But it has been filled up by the promotion of a clerk on Rs.35/- It is not known whether this released vacancy at least has been made available for advertisement. This information may be furnished now .

(i) The advertised special vacancy No.2617 of First Accountant on Rs.40/- in the District Office which occurred on 3-4-1930 has been utilised for eff effecting seriatim promotions and only a consequenti

vacancy on Rs.25/- appears to have been thrown open for direct recruitment.

(j) A vacancy of more than three months of Nagadi Gumasta on Rs.25/- in the Mudigere taluk office occurred on 12-7-1930, and was advertised in the Gazette as vacancy No.380 on 28-8-1930.No/ C.R.B. candidate was appointed in the vacancy. A report was made to C.R.B. office on 13-3-1931 i.e., 8 months after the occurrence of the vacancy, that the vacancy ceased by the return of the permanent incumbent.

It was found that the permanent incumbent was on long leave and one Suryanarayanappa a permanent Municipal clerk on Rs.20/- was promoted to act in the vacancy on Rs.25/- The promotion -- arrangements made in the advertised direct recruitment vacancy are not in keeping with the spirit of the rules.

On the return of the permanent incumbent, Suryanarayanappa, who lost his acting place was appointed to act in the permanent vacancy of Record keeper on Rs.20-1-30, which occurred by the retirement of one B. Ranganna. The utilisation of this permanent vacancy for promotion of an official on Rs.20/- without bringing it on the vacancy Register or obtaining the sanction of Government, is not in conformity with the rules.

The permanent vacancy of Municipal Clerk on Rs.20/- (released temporarily from the beginning has not been made available for advertisement.This

This was irregular Particulars viz. name, age, caste, qualifications, date of appointment and the history of the services of the official appointed in the vacancy may now be furnished.

(k) Revenue Inspectors vacancy 1st Grade Rs.50 plus 10 Vastave Hobli occurred on 15-12-1930. A vacancy on Rs.40 plus 10 has been made available for direct recruitment.

(l) A vacancy of special Revenue Inspector of Record of Rights on Rs. 50 plus 10 occurred on 15-12-1930. A vacancy on Rs.40 plus 10 has been thrown open and treated as a Special vacancy. This was utilised for the absorption of one T.V. Subrahmanyam, a Probationary Revenue Inspector. A probationer belonging to the Backward classes should have been absorbed in this special vacancy.

(m) Another vacancy of Revenue Inspector on Rs.40 plus 10 occurred on 15-12-1930. This was treated as a Special Vacancy. One H.S. Rangachar a Brahmin, Probationary Revenue Inspector has been absorbed in this special vacancy.

(12) <u>Executive and Ministerial appointments have been registered in a continuous series and transfers from the Ministerial to the Executive and Vice versa have been effected.</u>

1.	Vacancy	Sanitary Maistry on Rs.20 in the Kadur Municipality.
2.	Shankernarayana Row Bill collector on Rs.17/8	Promoted Vice No.1.
3.	Octroi Mutsaddi on Rs.12/-	Promoted Vice No.2.

As against the executive appointment of Sanitary Maistry one Ministerial hand was promoted to the

Executive line and the ministerial appointment was thrown open for direct recruitment.

(b) A permanent vacancy of vaccinator on Rs.20/- in the Tarikere Municipality instead of being registered in the vacancy Register for Executive appointments has been registered in the Register for ministerial series.

(c) A Krishna Iyengar, a thrown out Patrol Sub Inspector (an official in the Executive line) has been absorbed in the advertised special vacancy of Excise Range Office clerk on Rs.20/- (which is a ministerial appointment) at Koppa which occurred on 20-6-1928.

(d) A vacancy of Acting Revenue Inspector on Rs.35/- which occurred on 28-12-1928 was filled up by the transfer of a ministerial hand and a vacancy in the ministerial grade viz. that of a Junior Gumasta on Rs.25/- was advertised in the Gazette.

(e) A permanent vacancy of Sanitary Inspector on Rs.30/- in the Kadur Town Municipality which occurred on 1-7-1929 has been entered in the Revenue Department vacancy Register for ministerial series. This should have been entered in the Register for vacancies in the Municipalities (Executive series)

(f) N. Srinivasa Row, Head Munshi in the Tarikere taluk office on Rs.35/- was promoted in a si months vacancy of acting Revenue Inspector on Rs.35 plus 10. The transfer and promotion of an official

from the Ministerial to the Executive grade and throwing open for direct recruitment a ministerial vacancy in lieu of an Executive one is not in keeping with the spirit of the rules.

(j) A vacancy of 2nd Grade Revenue Inspector on Rs.40/- in the Banakal Hobli, Mudigere taluk occurred. But this was filled up by promotion and a clerk's vacancy in the District Office on Rs.25/- was made available on 22-9-1929 for advertisement.

This should have been registered in the Register for Executive appointments separately for Revenue Inspectors but it was brought on on the Register for ministerial appointments.

(h) A fresh vacancy of Special Sheikdar on Rs.40 plus 10 in the Narasimharajapura Municipality occurred for four months from 22-1-1930. This was an executive appointment and it was filled up by the promotion of a clerk on Rs.35/- in the Ministerial establishment.

This should have been entered in a separate register for vacancies in the Executive Department of the Municipalities.

(i) The following Executive appointments have been registered in the Register of Ministerial appointments.

Vacancy.	Date of occurrence.	Duration.
1.Revenue Inspector	5-8-30	6 months
2. do.	26-10-30	do.
3. do. Spl.	23- 7-30	do.
4. do.	15-12-30	do.
5-11 do.	do.	do.
12.Sanitary Maistry Koppa Municipality	1- 7-31	Permanent.
13.2nd Grade Daffedar.	4-11-31	do.

Police and Municipalities

These should have been registered in the separate registers of particular departments.

(j) A 6 months vacancy of special Revenue Inspector for Record of Rights on Rs.40 plus 10 plus10 occurred on 27-7-1930. This has been filled up, treating it as a promotion vacancy, by the transfer of hands from the ministerial to the Executive line and Vise versa and the last place of an Accountant on Rs. 35/- has been made available ~~for~~ for direct recruitment. This ~~was~~ is irregular.

(k) A vacancy of Special Revenue Inspector Record of Rights Harenallur Hobli Kadur taluk on 40 plus 10 plus 10. This was filled up by the promotion of clerks on Rs.35,30 and 25 each and a vacancy of clerk on Rs.25 in the District Office was made available for advertisement.

(l) A vacancy of Special Revenue Inspector Record of Rights Shivane Hobli, Tarikere taluk on Rs.40 plus 10 plus 10. This was filled up by the promotion of clerk in the Ministerial Establishment and a six months vacancy of Record of Rights clerk on Rs.30/- Narasimharajapura Sub Taluk was thrown open on 10-1-1931 for advertisement. This was alsonot advertised as reported to the Chief Secretary in -- letter No.C.per 38/30-31 dated 7-4-1931.

(13) A temporary appointment of Record of Rights clerk on Rs.35 in the Koppa Taluk office was created in G.O.No.Rs.7437-8/ R.D. 2-28-117 dated the 16th March 1929. This was filled up by promotion and a vacancy on Rs.30/- was thrown open for direct recruitment. Against this vacancy, it is remarked in the vacancy Register as follows. This is wrong. The

The direct recruitment should be only for the lowest pay of the class. This remark is incorrect. The recruitment rules do not bar the advertisement of vacancies carrying a higher pay than those carrying minimum pay in each class of appointments. The rules lay down that "when vacancies occur in posts on higher pay, the officials on the lower pay in the same class may be promoted seriatim and the vacancy caused by the promotion of the official on the lowest pay may be filled up by direct recruitment". It is therefore not incorrect to advertise a vacancy carrying more pay than the minimum of that class of appointments.

(b) The unit office for all vacancies of Revenue Inspectors is the office of the Revenue Commissioner. The vacancy of 2nd Grade Revenue Inspector on Rs.40 should therefore have not been brought on the Register of the Dy. Commissioners office and disposed of by effecting certain promotions and throwing open a clerk's vacancy on Rs.25/- in the District Office on 22-9-1929

(c) Two vacancies of Junior Gumastas on Rs.25/- each in Koppa and Chickmagalur taluk offices (which were temporary but likely tobecome permanent) occurred on 4-7-1930. These were reserved for the absorption of thrown out officials in connection with the re-organisation scheme. The names of the officials who were actually absorbed in these vacancies have not been entered. This information may be furnished now and the vacancy Register posted up.

(14) The following facts were gathered from the Acquittance Roll.

In July 1929 the appointment of a clerk on

Rs. 55/- became vacant and the following arrangements were made to dispose of this vacancy.

1. Clerk on Rs.55/-	Vacant.
2. A.L.Venkataramaniya on Rs.50	Vice No.1
3. H.Cheluvaiengar on Rs.45	Vice No.2
4. P. Manjundiah on Rs.40	Vice No.3.
5. C.M.Krishnamurthy Naidu 3rd Police Munshi on Rs.35/-	Vice No.4.
6. H. Raja Row clerk on Rs.30/-	Vice No.5.
7. H.Govinda Row Sindhe on Rs. 25/-	Vice No. 6.
8. S.V. Manjaiya Daftaband Rs. 13/-	Vice No.7.

Seriatim promotion arrangements to fill up this vacancy, are not in order. A vacancy on Rs.30/- at least should have been made available for advertisement It may be explained whether previous sanction was obtained for making such arrangements as also for -- appointing S.V.Manjaiya (Inferior Service) as a clerk on Rs.25/- in the superior service.

These acting arrangements were continued till the end of June 1930 and were confirmed with effect from 1-7-1930. It will thus be seen that no action was taken to treat the vacancy under the recruitment rules even at the time of filling up the same permanently.

II H. Raja Row -	Acting as 3rd Police Munshi on Rs. 35/-	Went on combined leave of 8 month from 26-9-1929.

This vacancy should have been made available for advertisement. But the seriatim arrangements were made as shown below and the last place on Rs.25 was given to a local man.

1.G.V.Tirumalachar clerk on Rs.30/-		Vice the vacant place on Rs.35/-
2.A.Govindaiya Rs.25/-	-do-	Vice No.1
3.S.R.Narasimhamurthy on Row.	Rs.25	Vice 2 from 11-10-29 upto 28-2-30.
J.K.Kesawaiya.		from 1-3-30 to 1-7-30.

A report may be furnished as to whether the previous approval of the Board was obtained to appoint S.R. Narasimhamurthy Row and J.K.Kesavaiya in the last place.

VII. K. Raja Row on his return from leave was confirmed as 3rd Police Munshi and G.V. Tirumalachar who was acting during the period in that place was ~~[illegible]~~ transferred in July 1930 to the District Treasury on Rs.35/-. In his place S.R. Madhava Row clerk on Rs.25 was confirmed on Rs.30/-. In the last place one H. Lakshminarasimha Iyengar was appointed on Rs.25/- and confirmed. The appointment and confirmation of this non C.R.B. candidate in the permanent vacancy should be explained

The Acquittance Rolls shows that his official was confirmed in the vacancy of Raja Row and Dr. Govinda Row Sundhi in the vacancy of G.V. Thirumalachar.

IV. In July 1930 one clerk on Rs. 25/-

1.A. Govindiya	was transferred as junior Gumasta of the Tarikere Taluk office.
2.M. ~~[illegible]~~ A.R.Arjuna Moodr. Cash gumasta Dist. Treasury on Rs.25/-	Vice No.1.
3.K.Narayana Setty Clerk Dist.Board	Vice 2.

The vacancy was therefore shifted to the District Board Office. The nature of disposal of this vacancy in the latter office may be reported.

V. In July 1929 B. Venkata Row clerk on Rs.50/- was on other duty as Head clerk of the Tarikere Su

Tarikere Sub Division office.

This vacancy carrying the minimum pay of the last appointment in Class I of appointments should have been thrown open for advertisement. But the vacancy has been filled up by making seriatim arrangements as follows:-

1. B. Kesava Iyengar Clerk on Rs.45 — Vacant. On Rs. 50/-
2. B.Narayana Row 3rd Acctt. Treasury. — On Rs.40/- Vice 1
3. P. Krishna Row 4th Acctt.Treasury. — on Rs.35/- Vice 2
4. S.Harahari Row Clerk on Rs.30 — Vice 3
5. H.R. Madhava Row Clerk on Rs.25 — Vice 4
   (a) B.V.Anantharamaiya from 1-7-1929 to 1-12-29
   (b) H.N. Ramaswamy Iyengar from 1-12-29 to 19-2-30. — Vice 5
   (c) K.Ramegowda from 19-2-30 to 1-6-1930.

A report may be furnished quoting the authority for appointmenting the last mentioned three non C.R.B. candidates successively in the vacancy on Rs. 25/- up to June 1930.

VI. In July 1929. A Pinto V Accountant in the Treasury on Rs.30/- was on other duty as Excise Clerk on Rs.35/-. His place was filled up as noted below:-

1. A.Venkatanarayana clerk Rs.25/- Vice vacant place.
2. G.K.Marulappa - on Rs.25 Vice 1 and transferred as Junior Gumasta on 25-7-1929to the Chickmagalur taluk office.
   (a) H.N.Ramaswamy Iyengar - from August 1929 to December 1929.
   (b) B.V.Anantharamaiya who was working in the vacancy of H.R.Madhava Row from July 1929 to December 1929. - from December 1929.

The reasons for appointing the last two mentioned non C.R.B. candidates without the approval of the Board and continuing the last man in the vacancy may be furnished. The history of the services of B.V. Anantharamaiya who is found to have been working continuously from July 1929 in various vacancies may be furnished.

VII. On 24-11-1929 one M.S. Narayana Row clerk on Rs.35/- was placed under suspension and was thereafter posted as Nagadigumasta in the Kadur Taluk Office. In this vacancy, the following -- arrangements were ordered:

1. M.S. Raja Row, Clerk Spl. Magistrate's Court on Rs.30 He worked till 1-5-30 when he was posted to act as Dy clerk in the Court on Rs.40/- - Against the vacancy.

(a) The disposal of the consequential vacancy of clerk on Rs.30/- in the Magistrate's Court should be reported.

(b) On 1-5-30 Raja Row was posted in the vacancy of clerk on Rs.40 in the Court. The nature of the vacancy should be intimated in the form of an A statement and the reasons as to why this vacancy was not made available for advertisement should be furnished.

2. Arjuna Moodr. Cash Gumasta Rs.25 - Vice No. 1 from 1-5-30.

3. M.R. Anantharamaiya Junior Gumasta Chickmagalur Taluk office on Rs.25 - Vice 2.

The disposal of the released vacancy in the Chikmagalur taluk office should be reported.

VIII. In July 1929, S. Rama Row clerk on Rs. 35 was on other duty as Dy. Clerk in the Special Magistrate's Court Chikmagalur. The following arrangements were made to fill up the post.

1. Md.Hussain Clerk Rs.30/- Vice the vacant place but was transferre as Revenue Inspector

		Inspector.His appointment in the Executive line without the previous approval of the Board was irregular
T. Nazir Ahmed Clerk on Rs.30 Police 4th Munshi.	Vice S. Rama Row O.O.D.	

The disposal of the vacancy of the Police 4th Munshi should be intimated. These arrangements continued till the end of May 1930 and in the month of June 1930 several transfer arrangements were made and T. Nazir Ahmed was confirmed as clerk on Rs.35/- The disposal of the released permanent vacancy of Police 4th Munshi (in which A.S. Srinivasaraghavachar was acting) should be reported together with information as to whether previous sanction was obtained to appoint and continue Srinivasaraghavachar a non C.R.B. candidae in the vacancy.

IX. In July 1931, K.R. Sitaramaiya Revenue Head Munshi in grade Rs.60-4-80 was found to be on other duty as Amildar. The following arrangements were made to fill up the vacancy. G. Venkata Row II Clerk in grade Rs.50-2-60 was promoted to the grade Rs. 60-4-80 of the Revenue Head Munshi. The vacancy on Rs.50/- carrying the minimum pay of Class I of appointments should have been thrown open for direct recruitment. Instead of doing so, this was filled up by promotion. The consequential vacancy of clerk in grade Rs.40-2-50 was filled up by the appointment of one T.V. Subrahmanyam, a Probationary Revenue Inspector on Rs.40 plus 10. This interchange of appointments from the Executive to the Ministerial line should have been done with the previous approval of the Board. Moreover T.V.Subrahmanyam was a Probationer and he could have been more appropriately appointed in a

vacancy of a Revenue Inspector for which place he was specially trained. But his posting to the ministerial line (though he has executed a bond to serve as a Revenue Inspector for five years) is irregular. This should be explained.

Registers relating to the appointments were gone through from the year 1927-28.

Vacancy Registers in the prescribed form as required by the rules have not been maintained.

All the vacancies have been registered in a register called the 'A' Statement Register and all the appointments made in these vacancies have been registered in a separate register called the 'B' statement Register.

The following irregularities have occurred on account of the faulty system of registration.

(i) Both permanent and temporary vacancies have been registered in a continuous series.

(ii) Ministerial and Executive appointments have not been separately registered. Ex:-

(1) No. 25 - A Third Clerk's vacancy in the office of the Assistant Inspector of Education - Kadur.

(2) No. 27 - A teacher's appointment at Narasimharajapura.

(iii) Vacancies have not been registered in the order of their occurrence or in the order of the receipt of report from the Subordinate offices.

(iv) Vacancies of less than 3 months duration have been brought on the vacancy Register.

(v) As no cross reference has been maintained between the 'a' and 'B' Registers, it was found very difficult to trace which candidate was appointed in any one particular vacancy A permanent vacancy of Master in the --

Incomplete Middle School on Rs.20-1-25 was registered in the 'A' Statement Register as having occurred on 1-6-1929. Inspite of the earnest and strenuous search made by the Office Establishment itself to trace in the (B) statement Register as to who was reported to the C.R. Board Office, as having been appointed in the vacancy, the same could not be traced. Similar difficulty was experienced in connection with the tracing of an appointment made in the temporary vacancy of Master Primary Boys School at Birur on Rs.25/- which was likely to become permanent and which occurred on the 12th July 1929.

(vi) Continuous serial numbers have not been given for vacancies but groups of vacancies have been given separate numbers.

(viii) Out of each group, certain vacancies have been treated as General and others as Special. Vacancies should not have been thus arbitrarily classified into special and General. Each vacancy should be registered separately and given a serial number and every fouth Direct recruitment vacancy should be classified as a General vacancy.

(viii) Same vacancies have been advertised more than twice, which procedure is contrary to the rules, Vis

A vacancy of school master in the Adikarnataka School was advertised five times as noted below:-

1. No. 2527 dated 12-5-1930.
2. " 762 " 6-11-1930.
3. " 1896 " 7-5-1931.
4. " 288 " 6-8-1931.
5. " 519 " 17-12-1931.

The existing system of maintaining the A and B

Statement Registers did not afford any scope to scrutinise and verify whether any irregularities had been committed with regard to the disposal of the vacancies advertised.

The marginally noted new registers were got opened as required by rules and suitable instruction were given in the matter of registration of vacancies illustrating the same with certain practical examples.

1. Ministerial Appointments.
(i) Permanent vacancies.
(ii) Temporary do.
2- Executive Appointments.
(i) Permanent vacancies.
(ii) Temporary do.

It is hoped that the vacancy Registers will be properly maintained hearafter and that vacancies will be disposed of strictly in accordance with the rules.

District Educational Office, Chikmagalur.

The following facts were gathered from the Acquittance Roll :-

Head Clerk	on	Rs. 50/-
IInd "	"	40/-
IIIrd "	"	35/-
IVth "	"	30/-
Vth "	"	25/-

In connection with the filling up of the vacancy of Head Clerk (during the absence of Muniam Ali on Mahkri) seriatim promotions were made and in the last place one H.S. Venkataramu was appointed on Rs. 25/- from 14-11-1927 up to 27-1-1928.

Again this official was continued from 2-2-1928 upto 1-10-1929 in the leave vacancy of K. Krishnappa (On Rs. 35/-)

In connection with the acting arrangements made while filling up the vacancy of the office Assistant during the period from 2-1-30 up to 2-2-30, H. S. Venkataramu who was in the meanwhile appointed as Asst. Master on Rs.20/- in the middle School at Koppa was posted as the Vth clerk on Rs.25/- He acted for two months in Febr uary and March 1930 in the leave vacancy of Hutchu Row and again in the consequential vacancy of the office Assistant up to 24-1-31 and again up to 9-2-1931 in the leave vacancies of Venkoba Row and H. Krishnappa. He was again taken to this office on 1-3-1931 in the leave vacancies of C.Krishna Murthy Row and H.S. Krishnappa up to July 1931. From July 1931 he was continued in the leave vacancy of Head Clerk up to September 1931.

Leave for six months from 26-5-1931.
do. extended by three months from 26-1-32 upto 26-4-32.
The official did not join duty at the time of inspection. He may - probably extended the leave

On 21-9-1931 one Veerasetty C.R.B. candidate was appointed as Head clerk but he resigned

his appointment a week later i.e., on 28-9-1931 and Venkataramu is continued ever since up to date in this vacancy direct.

Thus it is seen that this official H.S. Venkatramu is continuing in this office from 14-11-1927(i.e., from the past 5 years) with two short breaks on Rs.25 This is an irregular appointment made without reference to the Recruitment Board. Reasons for continuing this official in the office, without obtaining previous approval of, or regularising the same by making a -- special recommendation to, the Board so far, may be furnished together with the information as to the authority under which the vacancies that occurred in the Higher grade were invariably filled up by promotion.

II. H. Krishnappa went on leave for three months from 14-6-1931 and @ it was extended up to 30-6-1932, the period amounting to one year and 16 days. This vacancy was also filled up by promotion and in the last vacancy on Rs.25/- One Narahari Achar a clerk on Rs.20/- in the office of the Urdu Assistant Inspector Chikmagalur was posted and continued. It will be thus seen that the vacancy was shifted to the Urdu Asst's office. A Report may be furnished as to whether the vacancy in the latter office was advertised and filled up and also why a clerk on Rs.20/- was promoted to Rs. 25/- while filling up the original vacancy of clerk on Rs. 35/-

III. In April 1930, the Head Clerk went on leave. The place was filled up by promotion and the last place by transferring on C.Krishnamurthy Row Range -- Office clerk on Rs.20/- by promotion. This was irregular. He was continued till June 1930 when he was posted in the

vacancy caused by the transfer of B. Hutchu Row. One S. Manjaiya was transferred to Hutchu Row's place was posted as Range Office clerk Vice C. Krishnamurthy Row Thus in giving effect to transfer, arrangements the irregular promotion from Rs. 20/- to Rs. 25 of C. Krishnamurthy Row is continued. This should be -- explained.

A vacancy of a temporary clerk on Rs. 25/- which occurred on the 16th May 1931 and which is a ministerial appointment has been registered in the vacancy Register along with the Executive appointment viz. that of the Vaccinator.

Prompt action was not taken to fill up the following vacancy in accordance with the C. R. B. rules.

2.	H.Bhasker Rao	" 30/-	Vice No. 1.
3.	B.S.Ramaswamy Iyengar.	" 25/-	Vice No. 2.

Approval of the C.R.B. was obtained to fill up the Special vacancy of First Accountant (No.4702 dated 16-5-1931) by the promotion of a Brahmin official and to advertise the last vacancy on Rs.25. This was advertised and filled up on the 7th October 1931 by the appointment of a C. R. B. candidate (O.Subba)

The appointment of a non C-R.B. candidate (C. Nagesa Row) in the last place on 1st July 1930 and his continuance up to 7th October 1931 i.e., for a period of one year and three months is not free from objection. Prompt action should have been taken to get the vacancy advertised as soon as it became available and filled up in accordance with the rules, the special circumstances if any being reported to the C.R.B.
